Jim:

AC

Please forward to appropriate people that I may have missed.

I have owned a property for 13 years that the Clark House on Kilbourn and is next to 3 or 4 others on N. 24th St. separated by only one intervening property. I am grouping these properties together for discussion purposes as they all are owned by the same entity.

I object to any granting of licenses or use variances for any of these properties.

My reasons are as follows:

(1) these properties are a known neighborhood blight with several hundred police calls per year for things like drug use, sex trafficking, robberies, assaults and so on. They have also affected me and my property directly. Tenants in the Clark House on a regular basis drop garbage out of their windows onto my property including garbage bags full. Their contractors routinely trespass on my property without permission or prior notice almost always leaving behind their debris for me to clean up. On one occasion when I objected (because during a reroofing they were dropping debris on my tenants' cars damaging several of them) their roofing contractor with 2 of his employees came at me threatening me forcing me to flee my property for my safety calling 911 for help. Another time a resident from one of the N. 24th St. properties threw a 6 inch stone through the front glass door of my property causing 600 dollars of damage. Since the new owner has taken over we have experienced people exposing themselves from the second floor window of the Clark House towards our building, we have seen drug sales and use taking place on the front steps of these properties and our building has been broken in to.

(2) Granting a license would go directly contrary to the long range plan formulated and agreed to by the city and neighborhood in 2004 to avoid saturation of our neighborhood with this type of housing. It was on the basis of this agreement that many of us bought properties in this neighborhood.

(3) He made the same request to grant these license changes at a prior licensing board hearing in June 2020 and was unanimously denied for the following reasons:

- (a) The property owner bought these properties knowing that they were not licensed as boarding houses yet he immediately began to illegally run them as boarding houses. He later then applied for a change of license and under oath at that licensing board meeting in 2020 admitted that he knowingly lied on his license application when he stated this was not a new license request which required a change in license type.
- (b) This neighborhood is oversaturated with these types of properties as noted by Alderman Baumann at the first license meeting in 2020 having more than any other neighborhood in Milwaukee.
- (c) the statement made by numerous neighbors at that licensing zoom meeting in 2020 including one very concerning one by a father who said he witnessed one of the Clark House tenants trying to entice his then 5 year old son into the Clark House not knowing the father was within earshot and hearing this.
- (d) At t we have many families who have young children and we also have grandparents who take care of their grandchildren during the day. Also the Clark House is only 2 blocks away from a school with many school kids walking by on a daily basis when school is in session. It is a bad idea to increase the density in this location especially with ex-felons whom have a history of violence, some as sex offenders (the new owner at one point told me that his on-site manager is a sex offender).

For these reasons that I have stated please vote no on all these licenses requests for the Clark House properties.

Unfortunately, I will not be able to attend the license committee's meeting regarding this issue as I have prior work commitments that I have to honor. However I would like my objections and this email to be read into and included in the formal minutes of this meeting as if I were present.

Thank you for your time and consideration on this matter.
