INSTALL YIELD SIGNS ON NORTH 77TH STREET
AT WEST MELVINA STREET

Dear Alderman Bohl:

This is in response to a request we received from a local resident to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that a sight obstruction on the southwest corner of the intersection in the form of a hill that would warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the four-way control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
