I have lived in the Brady & Marshall Street area for many years.
I have owned and operated businesses on Brady Street for 60 years.
My brothers and I opened Glorioso Food Store in 1946 (is still in operation);
Opened Trio's Pizza in 1952 to 1962.
Opened Glorioso's Italian Villa from 1962-1980.
Opened God Imports in 1981 (is still in operation)

I am currently the President of the Unico Foundation.

We have participated in the Brady Street Area Merchants Association and BID for many years and continue to support the Brady Street neighborhood. I look forward to being a director on the BID #11 to help improve and develop the area.
