Dear Mr. Langley:

I wish to appeal your denial of the damage claim C.I. FILE No: 01-V-157. I haven't been very prompt because my younger brother, Marvin Eugene Patterson, who was a City of Milwaukee employee, died July 10, 2001.

Please inform me of any additional action required of me.

Sincerely,

Lonnie Patterson

I am requesting restitution for a loss and subsequent auto repair expenses incurred due to equipment failure or operator negligence in the performance of street salting. My loss occurred on December 25<sup>th</sup> 2000 while traveling west on Burleigh Street between 32<sup>nd</sup> and 30<sup>th</sup> Street. I drove into what appeared to be snow that had been plowed and scattered over the road. A city bus was ahead of me and traveled over the snow with no apparent problem, however when I followed I heard a rumble and a crash at the underbody of the automobile. After that occurrence I observed a City Salt Truck idle and at the curb attending to the salting apparatus at the rear of the truck. Also, the area I had just passed was muddy indicating that there had been some problem. Assuming the vehicle was okay, I proceeded to Columbia Hospital to visit my father. My daughter, Lavonne Williams was with me.

When I left the hospital, I noticed that the automobile oil light was on. I opened the hood, looked on the ground and observed oil on the ground. Further observation revealed a hole in the oil pan. I added oil and drove the vehicle home. The next day, I took the car to Mike's Standard Station at 39<sup>th</sup> & Capitol Drive and he confirmed that the car had run over some type of large, sharp object and recommended that I take it to a Dodge dealer. I contacted the City of Milwaukee on two occasions reporting the

incident. I had the vehicle towed to Dodge City in Wauwatosa for repairs.

The expenses I incurred were:

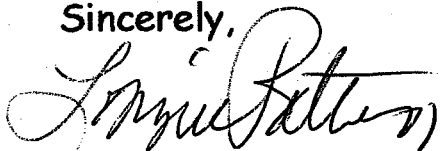

1. Repair \$341.69
  2. Rental car 117.02
- Total 486.70

I've enclosed the receipts for the expenses I incurred when borrowing my friend, Lyna M. Bliss's car. The rental car was necessary because she needed a car for transportation and work. I can be reached at 698-3838 or written communication to:

Lonnie Patterson

Thank you in advance for your prompt attention to this matter.

Sincerely,

Lonnie P. Patterson
