1. Description of Grant Project/Program (Include Target Locations and Populations):  
Replace gasoline powered parking checker vehicles with electric vehicles. Purchase charging stations.
  
2. Relationship to City-Wide Strategic Goals and Departmental Objectives:  
The Department of Public Works, and the City of Milwaukee find that electric vehicles reduce pollutants emitted through the combustion cycle, and that a reduction of such air-borne pollutants are beneficial for Milwaukee residents.
  
3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):  
This grant will supplement Parking equipment funding to purchase electric vehicles and corresponding charging equipment. The department has approximately 60 vehicles as part of its parking checker fleet. This grant accelerates the pace at which the department can replace its gasoline powered checker vehicles with electric vehicles.
