Honorable Tony Zielinski
Alderman, 14th Aldermanic District
Room 205, City Hall

SUBJECT: 14th ALD. DIST. - FILE #180014
INSTALL ALL-WAY STOP ON
WEST HARRISON AVENUE AND
SOUTH 9TH PLACE

Dear Alderman Zielinski:

This is in response to your request on behalf of a local property owner to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

INSTALL NO TURN ON RED ON EAST CLYBOURN STREET
AT NORTH BROADWAY (WESTBOUND)

Dear Alderman Bauman:

In conjunction with the changes in the traffic lane configurations due to the Streetcar route the above-captioned turn restriction is needed to eliminate unwanted conflicts between westbound right turning vehicles on East Clybourn Street and southbound vehicles on North Broadway entering the I-794 ramp. We therefore, in the interest of public safety, recommend the installation of this turn restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.

Sincerely,
