Milwaukee, WI 53215

Dear Mr. Vang:

At the Community and Economic Development Committee meeting held on Monday, September 12, 2011, the committee recommended adoption of file number 110570, a substitute resolution relating to the transfer of the Neighborhood Stabilization Program 2 (NSP2) funding from Milwaukee Reclamation Company, LLC to the Department of City Development. The resolution will go before the Common Council for adoption at its September 20, 2011 meeting.

If adopted by the Council, this resolution would transfer \$300,000 of NSP2 funding from the Milwaukee Neighborhood Reclamation Company (MNRC) Land Bank activity to the Department of City Development (DCD). DCD will utilize the NSP2 funds to maintain a select group of City-owned tax foreclosed properties that fall within the established NSP2 target neighborhoods. The allocation would allow DCD to service an estimated 120 properties from mid-September 2011 through 2012 for providing the following maintenance: snow removal, securing of properties with painted boards, seasonal grass cutting from April through October, and standard property clean out.

This can possibly be a great opportunity for any contractor or member of your organization who may be interested in participating in providing a service and working with the City of Milwaukee to deal with the foreclosure crisis in the economy. For more information on this resolution and possible opportunity, please contact the Community Development Grants Administration, 200 E. Wells Street, City Hall, Rm. 606, Milwaukee, WI 53202, (414) 286-3647.

Sincerely,

Ald. Joe Davis, Sr., Chair
