Dear Council Members:

Hupy & Abraham, S.C. alleges that on July 1, 2018 their client sustained injuries when the tire of his bicycle became caught in the streetcar tracks while he was traveling westbound on East St. Paul Avenue at/near North Water Street. Claimed damages total \$50,000.00.

The Infrastructure Services Division indicates that the streetcar tracks at East St. Paul Avenue and North Water Street were constructed in accordance with the standard specifications, plans, and accepted standards for streetcar infrastructure. This project was constructed and completed under a City of Milwaukee contract. The work was performed by Kiewit Infrastructure Company.

of the City of Milwaukee
