## SATURDAY, August 7, 2021

Community & Economic Development committee

June 23, 2021

## WHY IS THIS WORK IS SO IMPORTANT?

Milwaukee's infant mortality rate is one of the highest in the nation.

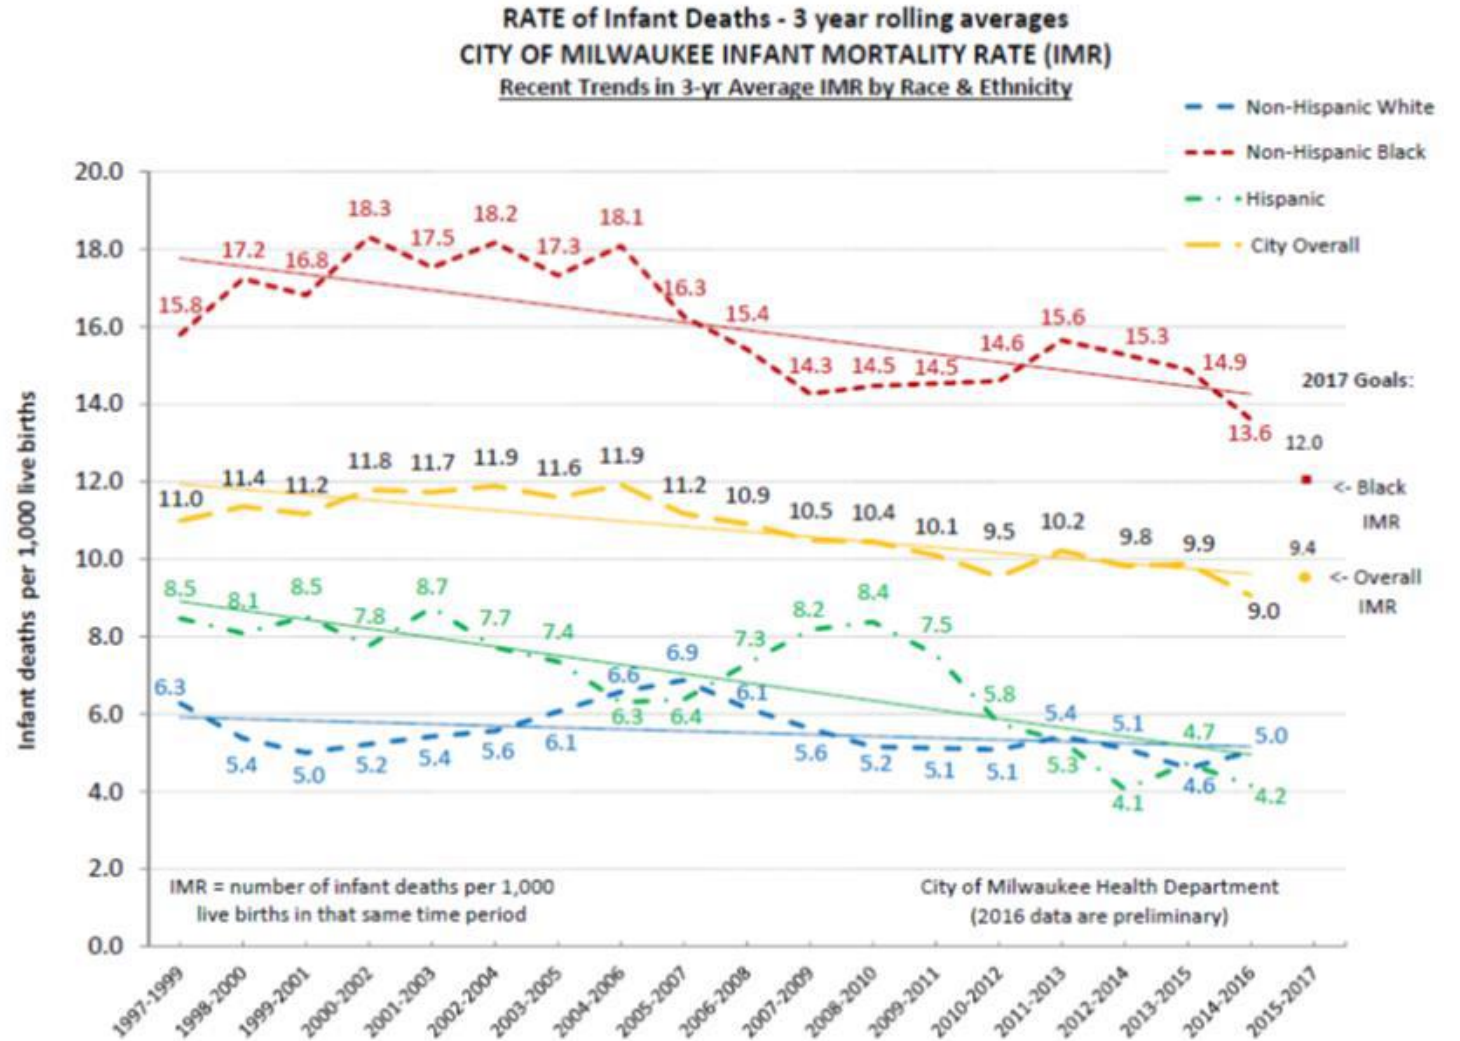

Among all of these cities, African American babies are dying at a significant rate compared to other races.

# WHY IS THIS WORK SO IMPORTANT

In the City of Milwaukee, African American babies die 3 times faster than Caucasian babies.

This year the rate for AA infant deaths has decreased from 14.9 to 13.6

# TURN OUT OVER THE PAST 4 YEARS

- The first 5K in the United States that focused on reducing racial disparities in birth outcomes within communities of color.
- Right in the heart of an urban community.
- Over 700 people registered
- Over 200 volunteers participated
- Timed by RaceTimeand Certified by U.S. Track Field
- Partnered with United Way of Greater Milwaukee and Waukesha County
- Froedtert Health Served as presenting sponsor for 3 years in a row.
