The applicant was contacted regarding and stated he would look into the matter first thing in the morning. 5. On 04/30/15 at 4:00 pm, Milwaukee police conducted a license premise check at 738 W Mitchell Street after receiving a complaint that the business was in violation of the submitted "Plan of Operation" report by selling individual fermented malt beverages as well as fermented malt beverages in 40 oz bottles. Upon entry, police spoke with Omar Ali and officers observed that the licenses for the premise were not on display. Ali was able to provide police the licenses which Ali obtained from a drawer near the cash register. Ali was cautioned that the licenses were required to be prominently posted at all times. Police advised Ali why they were there and officers observed 11 coolers filled with fermented malt beverages for sale, three of which were devoted to four packs of 16 oz beers. Officers observed two "broken" four packs, one of which the missing beer had fallen out and was at the bottom of the cooler, and the other, a four pack of 16 oz Old English 800 with three missing cans. Ali stated this was due to shoplifting. Officers did observe an entire cooler devoted to individual beer sales, the vast majority of which were 20 oz and 30 oz cans consisting of 40 different varieties of cans and bottles of fermented malt beverages. Ali stated he did not believe he was in violation of his plan of operation regarding sales of individual cans of fermented malt beverages because he was not breaking apart packages of beer and selling them individually. Ali stated that he had to sell the majority of the beers that were in 20 oz and 32 oz bottles or cans because that is the only way they are available but that the sale of these items doesn't conflict with his 2012 plan of operation. Ali stated that he had started carrying the 40 oz bottles last week due to a customer request. Police checked with a clerk from the License Division at City Hall and were informed by Jessica Celella that the agent agreed not to sell 40 oz bottles as part of the initial application and that the restriction still exists on the plan of operation. Ali was advised to stop selling the 40 oz bottles to which Ali stated he would.
6. On 05/28/15 at 1:52 pm, Milwaukee police were dispatched to 738 W Historic Mitchell Street for a shooting complaint. Investigation revealed that an argument over the purchase of beer took place between the store owner, Omar Ali and a customer. Ali stated that the customer reached over the counter and at this point, Ali feared for his safety and fired one round from his handgun, which was behind the counter. The victim was struck one time to the left side of his face and was taken to a nearby hospital by friends for medical treatment. Ali was arrested for Recklessly Endangering Safety and later released. As of June 3, 2015, no charges have been located in CCAP. During the investigation, Ali stated that the surveillance system that was installed in the store was not working.
7. **On 05/29/15 at 6:00 pm, police conducted followed up in regards to the 04/30/15 license premise check with licenses not being properly displayed. A check revealed the licenses were still not posted and the Omar Ali obtained the licenses again from a drawer behind the counter. Ali was advised he would be cited for the violation.**
