Dear Chairman D'Amato and Members of the Zoning, Neighborhoods & Development Committee:

The Westown Association, BID #5 is pleased to join with other community groups and organizations in supporting The Brewery Project, LLC's request for TIF financing for the redevelopment of the Pabst Brewery in the northwest corner of downtown Milwaukee.

We believe that this project will make a significant contribution to the economic development of the downtown area and the City of Milwaukee. This development will add a new neighborhood that has the potential to contribute significantly to the creation of new jobs, expanded economic opportunity, expand downtown commercial space, expand housing west of the river, add an international training center, as well as international trade opportunities and the potential to provide research facilities for companies both large and small.

The Westown Association, BID #5 supports the efforts of Mr. Zilber and his organization to renew and invigorate this blighted area for our community and use it as a strong example of the potential for economic development that can be found in the City of Milwaukee. We urge your support of the TIF package, which will aid in the realization of this critical area of Milwaukee.

Sincerely,

Stacie Callies
Executive Director
