Property 2462 N. GRANT BL. Grant Boulevard Historic District
Description of work Install furnace, and central A/C
Date issued 9/13/2013 PTS ID 89728 COA, venting for furnace and central a/c unit

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

Any new sidewall venting for furnace must be on the rear of the house, or a side not visible from the street. All vent pipes must be painted out to blend with the color of the surrounding building materials. The central a/c units must be on grade, next to the foundation in the rear of the house where it is not visible from the street. A/c units must not be in any side elevation.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Paul Jakubovich of the Historic Preservation staff as follows: Phone: (414) 286-5712 Fax: (414) 286-3004 E-mail: pjakub@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.milwaukee.gov/build, or call (414) 286-8210.
