The Founder's Day Committee, comprising both past and present members of Rehoboth Miracle Temple Church of God in Christ, along with the congregation and people of whose lives Elder Virdell Wallace touched would like to commemorate this past Founder's Day Service which was held on January 4<sup>th</sup> and 5<sup>th</sup>, 2003 (which would have been Elder Virdell Wallace's 100<sup>th</sup> birthday) with the renaming of West Hadley Sts. This would be a great climax to this great event, which will be held yearly. We believe that it would be beneficial to the community he served to rename a portion of West Hadley St. after him. Furthermore, there is a need in the black community to see our heroes on the streets in which we live and work and our children play. This is why we feel that West 27<sup>th</sup> and Hadley to West 29<sup>th</sup> and Hadley (that ends at the corner of West Fondulac avenue) be changed to "Elder Wallace Drive."

**We the undersigned Petition do hereby support the Proposal to Rename West Hadley Street Between 27<sup>th</sup> and 29<sup>th</sup> Streets,(that ends at the corner of West Fondulac Avenue) to "Elder Wallace Drive".**
