Past Board Member Church Finance Committee (St. Charles Borromeo)
Past President of parish Athletic Association
Past Treasurer of parish Athletic Association

I have a strong sense of family and community and have been raised with a strong work ethic. I have a sincere desire to address new opportunities. Since retiring from the city I have obtained a CDL and driven coach tours, I obtained a Real Estate License and am currently employed by First Weber Group of Realtors. I bring experience, motivation, and proven success. I believe I bring a unique set of qualifications to this board. While working for the Treasurer I administered to the tax rolls the changes this board makes. I am very aware of the IT issues, tax issues, government issues affecting this boards decisions and I am currently a practicing Realtor with an awareness of market issues.
