Project/Program Title: Communicable Disease Prevention

Grantor Agency: Wisconsin Department of Health Services, Division of Public Health

Grant Application Date: n/a

Anticipated Award Date: 7/1/19

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

The goal of this program is prevent/mitigate the spread of reportable communicable disease in the City of Milwaukee. The reporting and investigation of communicable disease are required under WI State Statute 252 / DHS 145. A listing of the conditions which are reportable can be found in the appendix to DHS 145 or online at <https://www.dhs.wisconsin.gov/disease/diseasereporting.htm>

Funds support assuring adequate infrastructure (supplies/equipment/training) for the surveillance and investigation of communicable disease.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

This program is consistent with City-wide strategic goals and department outcomes to reduce illness and injury from communicable diseases and disasters in Milwaukee.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

These monies will help enhance capabilities around communicable disease follow-up in Milwaukee.

4. Results Measurement/Progress Report (Applies only to Programs):

Measure	2014	2015	2016	2017	2018
Number of Milwaukee County surveillance reports distributed	12	12	12	12	12
Prepared and distributed annual surveillance report for Milwaukee County	Completed	Completed	Completed	Completed	In Process
