To Whom it May Concern:

... of the where the proposed application is in review I would request the licensing board grant the licensee their license only if the following conditions are met:

To ensure the **health** and **safety** of the neighborhood I propose a requirement be considered that after each event of operation the parking lot will be swept and garbage cans will be emptied. Inevitably, over their past year of operation after each event there have been numerous broken wine and liquor bottles in the parking lot and possibly even more concerning whole paper plates of food after their Tuesday Taco Night strewn all over the parking lot. My understanding is that this would be a prelude to a rat problem affecting the **welfare** of the public.

Thank you for this consideration,
