The signatory, **City of Milwaukee**, hereinafter called the Project Sponsor, through its undersigned duly authorized officers or officials, hereby requests the State of Wisconsin Department of Transportation, hereinafter called the State, to initiate and effect the transportation project hereinafter described.

Wisconsin Statute § 85.245 authorizes the State to administer a program for the distribution of federal funds for congestion mitigation and air quality improvement projects made available to the State under federal law 23 U.S.C. 149.

The authority for the Project Sponsor to enter into this State/Municipal Agreement with the State is provided by Sections 86.25(1), (2), and (3) and Section 66.0301 of the Statutes.

NEEDS AND ESTIMATE SUMMARY:

All components of the project must be defined in the environmental document if any portion of the project will be submitted for approval in a federally funded program. The Municipality agrees to complete all participating and any non-participating work included in this improvement consistent with the environmental document. No work on final engineering and design may occur prior to approval of the environmental document.

Existing Facility - Describe and give reason for request: Provide equitable trail access to residents in Milwaukee residing in primarily black and low-income neighborhoods and better connect residents of Lincoln Park, Rufus King, and Garden Homes to the existing Beerline Trail to the south and east of I-43.

Proposed Improvement - Nature of work: This trail extension will connect the northern section of the Beerline Trail to neighborhoods north and west and to the regional trail network envisioned by the Route of the Badger. It will provide safe non-motorized transportation access with an off-street trail from Capitol Dr overpass to Port Washington Road. An on-street bikeway connection along Port Washington Rd from Capitol Dr to Oliver St. An off-street trail from Port Washington Rd to Green Bay Ave connecting to the I-43 underpass. And an off-street trail parallel to Cornell Dr between 20th St and Green Bay Ave connecting to the Beerline Trail.

The Project Sponsor agrees to the following State Fiscal Year **2022-2026 CMAQ** project funding conditions:

All Project Sponsors and processes, including real estate acquisition and environmental documentation, must comply with *A Sponsor's Guide to Non-Traditional Transportation Project Implementation* (Sponsor's Guide) and the current WisDOT Facilities Development Manual (FDM).

The subject project is funded with 80% federal funding up to a maximum of \$1,454,840 for all federally funded project phases when the Project Sponsor agrees to provide funds in excess of the \$1,454,840 federal funding maximum, in accordance with CMAQ guidelines. Non-participating costs are 100% the responsibility of the Project Sponsor. Any work performed by the Project Sponsor prior to federal authorization is not eligible for federal

funding. The Project Sponsor will be notified by the State when each project phase or ID is authorized and available for charging.

The project is subject to a discretionary DBE goal assessment. The Catalogue of Federal Domestic Assistance (CFDA) number for this project is 20.205 – Highway Planning and Construction.

Project Award date: February 24, 2022

Sunset date: 6/30/2031

Sunset Date is determined based on the date a project is scheduled to be authorized. Sunset date is calculated as six years from the beginning of the state fiscal year (SFY) in which a project is initially scheduled.

In the summary funding table below, the federal share of the total estimated cost distribution indicates the maximum amount of federal funding available to the project, to be distributed across federally funded project phases. The final Project Sponsor share is dependent on the final federal participation, and the actual costs will be used in the final division of costs for billing and reimbursement.
