RE: File No. 190471

Dear Committee Members:

The attached Memorandum of Understanding between the City and the Milwaukee Professional Firefighters' Association is the result of the voluntary 2017 – 2020 Labor Agreement. During negotiations for the 2017 – 2020 Labor Agreement it became know that the Union had outstanding invoices with the City for hours used under Article 42, however, there was a question on the calculation or the amount owed for the hours used. The parties looked at the hours used and the calculations and came to the terms contained in the attached Memorandum of Understanding. The parties also negotiated new language in this Article which should eliminate any confusion on the calculation of hours owed the City.

Copies of the Memorandum of Understanding, a resolution approving it, and a fiscal note are attached.

In view of the foregoing, it is recommended that this resolution be approved.

Sincerely,

Nicole M. Fleck
Labor Negotiator
