Respectable Administrative officer,

Amardeep S Khehra, owner of prince petroleum LLC responding to nuisance activities that occurred at our premises located at prince petroleum LLC 4811 N Teutonia Ave Milwaukee, Wi 53209. The following course of action I have taken to stop these nuisances from recurring at our premises.

I have installed "No Loitering" No Trespassing "And no prowling signs on the front and rear of the exterior of the premises. I have regularly participated in Milwaukee business association meetings to update my knowledge. The property already has a digital security surveillance system that is working 24/7 and we ensure the maintenance every day that it is working properly. I am also planning to attend the monthly crime prevention meetings conducted by the local police department district officers. I also signed up for the E-notify system for email updates regarding our premises. I have employed one employee outside who is observing the property outside for any suspicious activity at our premises. His duties included removal of natural accumulations of snow and ice from sidewalks, maintenance of the area between the property owner's lot and public street, cleaning off sidewalks, maintenance of parking lot and landscape, cutting or destruction of weeds or other growth that is a health, safety or fire hazard, and general abatement of nuisances.

Re: Notice of Nuisance Premises

Dear Amardeep S Khehra:

This letter is notice to you that the Milwaukee Chief of Police, by the chief's designee, the district commander, has determined that the premises located at 4811 N Teutonia Av ("the premises") is a nuisance pursuant to Milwaukee Code of Ordinances ("MCO") 80-10, Chronic Nuisance Premises. As an individual or entity that is licensed or subject to a license in the operation of a business upon the premises, you are a responsible party for abating the nuisance activities occurring at the premises.

The Milwaukee Police Department has responded to the following described nuisance activities at the premises on the corresponding dates, which qualify the premises as a nuisance:

1. On July 1, 2022 at 2:41P.M. a call was placed to the Milwaukee Police Department regarding a shooting at the premises. This call for service was given computer aided dispatch # 22-182-1074. Officers were dispatched to the location to check on the complaint and were able to obtain evidence of a shooting. This is a violation of MCO 80-10-2-C-1-K.
2. On November 25, 2021 at 7:20P.M. a call was placed to the Milwaukee Police Department regarding a shooting at 4915 N Teutonia. This call for service was given computer aided dispatch # 21-329-1382. Officers were dispatched to the location to check on the complaint and were able to obtain evidence of a shooting that occurred at the premises. This is a violation of MCO 80-10-2-C-1-L.

As a consequence, you may be subject to a collections action for the cost of future enforcement for any of the nuisance activities listed in MCO 80-10-2-c that occur at the premises.

You are directed to respond to my office within 10 days of receipt of this notice with an acceptable, written course of action that you will undertake to abate the nuisance activities occurring at the premises, or file an appeal. You may appeal this nuisance determination to the Administrative Review Appeals Board. Any appeal must be in writing and a processing fee will

be charged. Please contact the Office of the City Clerk at (414) 286-2231 for additional information.

If you timely provide a written course of action, I shall evaluate it to determine if it is a reasonable attempt at abating the nuisance activity. You will receive a written response whether your proposed course of action is accepted or rejected. If accepted, you will have 45 days from the date of that notice of acceptance to implement the course of action.

If you propose a course of action that is rejected by me or you fail to timely respond to this request and a subsequent nuisance activity occurs on or after 13 days after receipt of this notice, or if you timely appeal this notice of nuisance premises and this nuisance premises determination is affirmed, the premises will be subject to a collections action for the cost of any police services and enforcement.

- It is highly recommended that you obtain records relating to police responses regarding the premises. You may obtain these records from the Computer Aided Dispatch System (CADS) at the Open Records Section of the Milwaukee Police Department (District Three Station, 2333 North 49th Street, Second Floor) between 8:00 AM and 3:45 PM. There is a cost of 25 cents per page for these records.

Please review the following examples of nuisance abatement measures that you may include in your written course of action to abate the nuisance activity. These suggestions are not exclusive, may not apply to the particular premises, and you may propose other nuisance abatement measures that would be appropriate under your particular circumstances.

- Exchange names and telephone numbers with the owners and operators of neighboring premises.
- Participate in a local block watch, neighborhood association, and business association.
- Attend the monthly crime prevention meetings conducted by the local Milwaukee Police District Community Liaison Officer who can be contacted at CLO Phone Number. →
- Monitor the property for evidence of drug activity. This may include observation of clear corner cuts of baggies strewn about, excessive quantities of plastic sandwich baggies found in odd places, presence of numerous weight scales or communication devices and drug paraphernalia such as unusual pipes, empty cigar wrappers, burned hollow tubes, etc.
- Install "No Loitering" signs in the front and rear of the exterior of the premises. This signage permits police to cite loitering individuals in the yard and sidewalk area.
- Install "No Trespassing" signs in the front and rear of the exterior of the premises. This signage permits police to cite trespassers in commercial properties.
- Participate in the E-Notify system for email updates regarding the premises.
- Regularly file open records requests for Milwaukee Police Department Computer Aided Dispatch System (CADS) reports regarding the property.
- Institute a standing complaint with the local Milwaukee Police district station that will allow the police department to remove any individuals loitering on the property.
- Draft and serve a no trespassing order against identified nuisance persons and provide the local police district station a copy of the served order.

- Install and maintain a digital security surveillance system.
- Employ security personnel.
- Enroll in Respect 21 or MARTS program (contact CLO for more information)
- Make repairs to windows, doors and lights and improve landscaping.
- Participate in the City Clerk's Office Pivot Program workshop for businesses. Information on this training program may be obtained by emailing pivot@milwaukee.gov.

Once you have been billed for the costs of police services and enforcement for three or more separate nuisance activities within one year of the date of this notice of nuisance premises, the premises may be designated a chronic nuisance, pursuant to MCO 80-10-6, and each and every subsequent incident of nuisance activity at the premises may be deemed a separate violation and result in a citation being issued to you for failure to abate the nuisance activity. Each citation would subject you to a forfeiture of not less than \$1,000.00 or more than \$5,000.00. Upon default of payment of a chronic nuisance citation you would be subject to imprisonment in the county jail or house of correction for a period of not less than 40 days or more than 90 days for each violation.

Please contact P.O. Bowie Buchner at 414-935-7314 with any questions, and I look forward to hearing from you.

Best regards,

JEFFREY NORMAN
