To the Public Improvements Committee

Subject: 2005 Capital Improvements Program
Infrastructure Services Division
Federal/State Aid Project
West Silver Spring Drive from
North 26th Street to North 43rd Street

Dear Honorable Members:

The 2005 Capital Improvement Program includes the improvements of West Silver Spring Drive from North 26th Street to North 43rd Street under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

The Wisconsin Department of Transportation (WISDOT) will fund eighty percent of the total cost. The local share, \$27,100.95, will be provided through the Division's existing Capital Improvement Program.

We have, therefore, prepared the attached substitute resolution, which authorizes and directs the Commissioner of Public Works to execute an Agreed Unit Price (AUP) contract with WISDOT that allows city forces to install and/or modify traffic control facilities in conjunction with the improvement of West Silver Spring Drive from North 26th Street to North 43rd Street in the 1st Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works

RWB:amh

c: Honorable Ashanti Hamilton
