Good afternoon,

The message below and attachment were received in the FPC Mailbox this afternoon from Black Leaders Organizing for Communities containing their comments on the proposed amendment to SOP 610 relating to towing of vehicle involved in reckless driving incidents. I am forwarding each of you a copy for your files and to place in the Commissioners' iPads prior to tonight's meeting.

Thank you!

Good Afternoon Commissioners,

On behalf of Black Leaders Organizing for Communities, we want to extend our concerns about SOP 610. Commissioner Avalos is right when she says this is not the answer. We encourage you to vote no and find more creative solutions that are not punitive and would lead to more challenges in our community.

BLOC fully stands behind her attached statement.
