Honorable Common Council  
City of Milwaukee  
City Hall, Room 205

To the Honorable Members of the Common Council:

The Information & Technology Management Division of the Department of Administration is submitting a resolution for Common Council approval (Common Council File Number 070249) that would allow the City to accept and receive a grant from the Wisconsin Department of Transportation (WisDOT).

If approved by the WisDOT, this grant will provide \$50,000 to ITMD, as representative for the City, for purposes of incorporating traffic crash data collected by the Milwaukee Police Department into COMPASS.

ITMD will use existing positions and equipment to meet its matching grant obligation.

All appropriate paperwork is attached. Thank you for your consideration.

Sincerely,

Gary Langhoff  
Policy and Administration Manager  
DOA-ITMD
