Subject: Driver Damaged My Luggage En Route

I took cab number 297 from Northwestern Mutual Building to the Milwaukee Amtrak station at 5:15pm on 5/15. The driver loaded my luggage into the trunk, then proceeded to start the trip. He realized that the trunk was not properly closed, and proceeded to exit the vehicle and slam the trunk, forcing it shut, without first checking to see if anything was preventing it from closing. This resulted in severe damage to the leather handle of my bag (see photo below) which he had placed in the trunk in a manner that caused it to be caught when the door closed. The bag manufacturer does not provide repair services, so I would like to request that Yellow Cab Milwaukee cover the cost of repair as this situation could have been avoided had the driver first checked to see if anything was in the way before slamming the trunk. Please let me know what the process for filing this claim is. I have included my phone number below as well.

For the record, I would like to say that other than this incident, the driver was very polite and apologetic once I brought the situation to his attention, which I very much appreciate.

2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

Subject: ROAD RAGE

On July 16, 2014 at 6:18 pm I was driving south on 894. I was in the left hand lane going 60 mph in a 55 mph zone. There was a semi in the middle lane. we were all going about the same speed. I then looked in my rear view mirror and noticed a man in a car behind me tailgating. He kept getting closer and closer. He signaled for me to move over. My only way of moving over was to slow down and get behind the semi driver, but that was not possible since he was driving too close for me to slow down. Once I did pass the semi driver I was going to pull over but the driver swerved and pulled into that spot. Not giving me the chance to move to the center lane. He then pulled directly in front of me and hit his brakes very hard. I almost hit him. It shocked me to see that there was no car in front of him that he was braking for. He did it just to either scare me or teach me a lesson. This was a blue mini van with the (taxmke.cab) on the back with the number 148. On 7-17-2014, I contacted the cab company and left a message with a Red Christensen. He did not return my call. I called him once again on 7-18-2014 and left another message. He returned my call but I missed his. On 7-21-2014 he did return my call and I explained to him what had happened. He stated as vice-president of this cab company this is not allowed and supported me in filing this claim. He also gave me the name of the cab driver. It is Ayesh Ayesh.

Driving in Milwaukee is bad enough but with all the road construction, it is even more difficult. Then to ad on someone with road rageis totally unexceptable.

Thank you for taking the report into consideration.

REDACTED RECORD

Good morning,

This email is a follow up to a phone conversation with [redacted] on Tuesday, June 16th, at approximately 10:30 am, in regards to my previous email below.

One of the things we discussed over the phone was about what I would like to get out of this complaint. Most importantly, I would not want any sort of disciplinary action against the driver. I am sure he is going to be talked to, but I don't want any action to be taken against him. He was very nice and polite at the beginning and there must have been a bigger reason for his behavior towards the end. This should never be an excuse, but he had a really bad day and I can definitely identify with that. So, please, I would hate for him to lose his job, be put on some sort of probation, etc. Unless, of course, this type of behavior is consistent

What I would like is to get reimbursed for the suitcase that was damaged. It was my mom's, bought at Macy's for \$250.00. I was asked for the receipt, but I do not have it. Instead, I took the photos of the damaged suitcase and was going to find it online and figure out what it costs. The problem is, I spent hours looking for it and it's unavailable on any major websites, including [redacted]. It was Ellen Tracy limited collection suitcase (apparently this is a big deal in womens' world) and it is unavailable for purchase. I did find a similar one of a different color on ebay, with the sale price and the original price (see attached photo). Original price is \$320, but my mom paid \$250. Feel free to browse on internet yourself, you won't be able to find it.

What you will find is that a regular, average "spinner" suitcase costs between \$150 - \$300 and that's not even a better quality suitcase like the one we had. So, I would like to be reimbursed in the amount of \$250, for the similar suitcase and all the inconvenience.

Thank you for addressing this issue to my satisfaction and for taking a professional approach to this situation. I spoke with Elizabeth on the phone and she was very polite and professional and gave me all the info I needed, as well as explained the process of handling these types of situations.

If you need any additional information from me, please let me know.

Thank you,

Subject: Customer Complaint
Date: Fri, 5 Jun 2015 14:31:14 -0500

Good afternoon,

I am writing this email in hopes of receiving an answer regarding the recent experience I've had with one of your drivers immediately after a drop off. I called the number and was instructed to email you regarding what happened.

On Thursday, my girlfriend and I were picked up approximately [redacted] in front of the bus/train station on St. Paul avenue, here in Milwaukee. I believe the car number was 493—it was a van, driven by an older gentleman, who I believe is originally from Jamaica... This wasn't a scheduled call, my girlfriend and I just walked up to the van and he was very nice to greet us and help us with our suitcases. We had four large suitcases, one small one and a backpack. As there were a lot of cars and we were all kind of in a rush, he tried to load the suitcases as fast as he could, during which process he broke one of them, as he didn't know how to retract the handle, so he just jammed it with his fist. Upon realizing it was broken, he just left it the way it was, risking an even worse damage and threw it on top of other suitcases.

We told him to drop us off at [redacted] building, located at [redacted]. I am not sure what the speed limit was, but the gentleman was driving at one point what I believe to be 55mph or faster, passing cars in the right lane, accelerating and stopping aggressively for absolutely no reason. My girlfriend had to grab a hold of me couple of times as she was obviously disturbed.

Once we were dropped off, my girlfriend and him unloaded the suitcases and I was paying for the fare, which was \$7.60. Annoyed with him breaking the \$260 suitcase and for driving like a maniac, I didn't leave the tip. As I was in the process of going inside of the building, my girlfriend reminded me to grab a receipt, which I need for my company for expense reporting, as I used a company credit card. I quickly ran back to the van and asked for a receipt and he said "I don't have a receipt for this kind of s***!" He is saying that as the receipt is being printed. At this point, he is holding it at his hand, completely refusing to give me a receipt and goes on and on about me not leaving the tip: "I am not giving you a receipt... I am losing money on this... I only get to keep 10% of what I charge you... I am trying to help you and this is how you treat me... I am not giving you a receipt... why didn't you leave the tip... what kind of a man are you." These were his exact words. I am leaning into the window, on the passenger side, explaining I need the receipt and he starts driving away as I am still very close to the car. I told him "since you broke the suitcase, you don't get the tip, I guess we'll call it even."

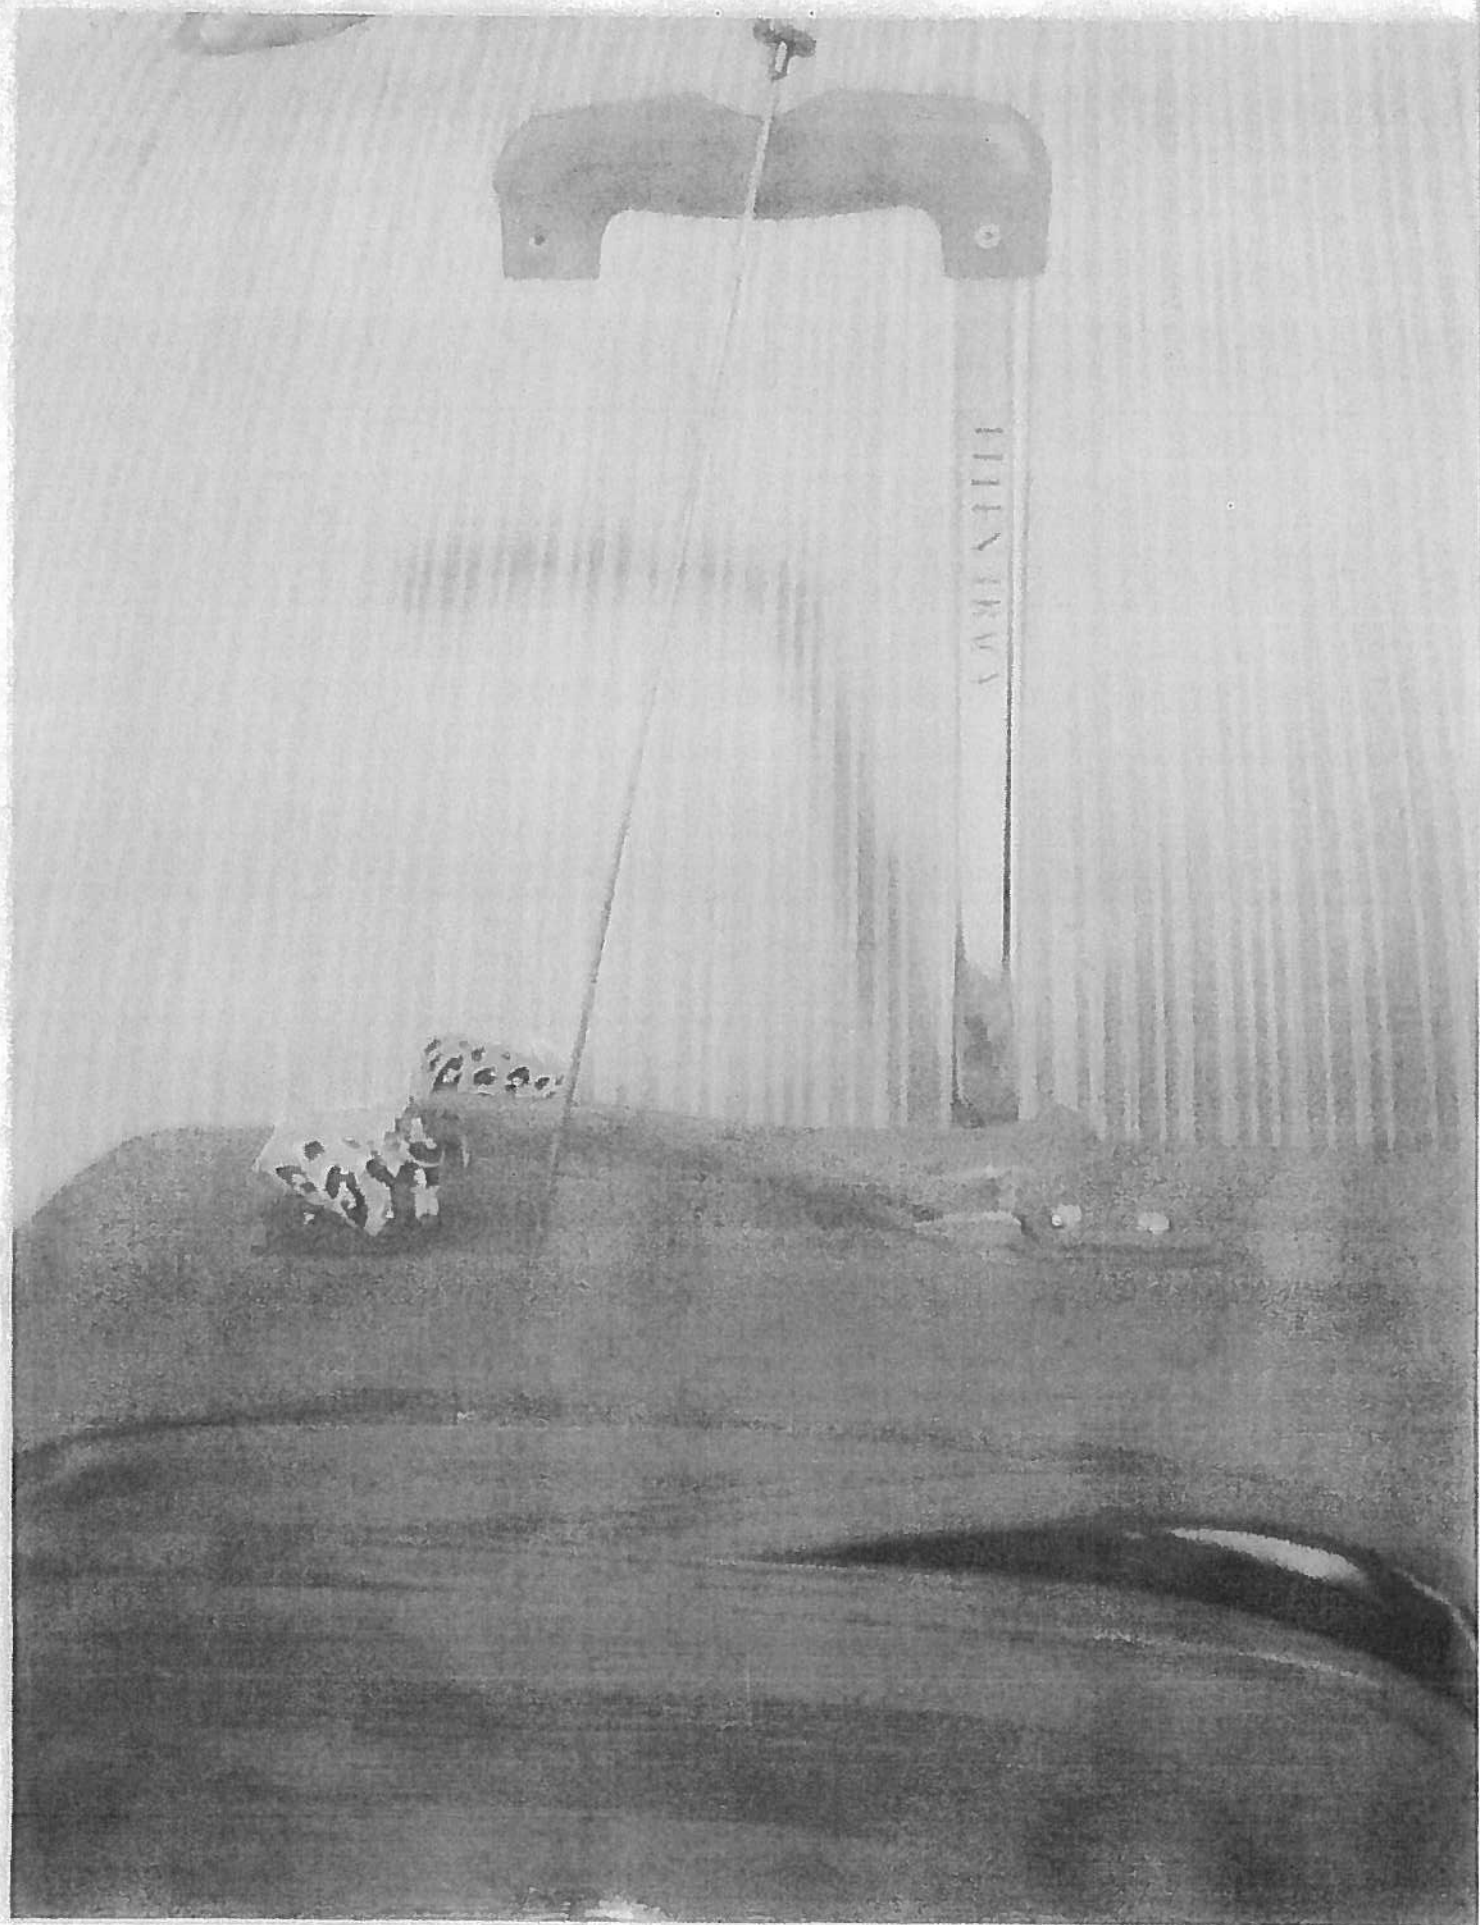

At that point, he stops the car, gets out of the car and starts yelling at me in front of the building in front of other people, yell again about how he was trying to help, how I am not a good person. He then pulled out a stack of cash from his pocket and starts yelling "Do you want me to pay? Why didn't you tip me? I am losing money on this!" He then starts telling me how he didn't break the suitcase, as I am clearly pointing to the handle that is completely destroyed, wedged into the suitcase, with the wire sticking out, completely useless. He is continuing to yell at me, saying he was trying to help, how I didn't tip and saying he didn't do it, but at the same time pulling cash and wanting to pay. At this point, my girlfriend is super upset and asking me to back off and let it go. I start walking back to her, because I just got back from a 30 hour trip and she just got back from Colombia and a 25 hour trip. As I am walking back, other people are staring at the guy as he is continuing to yell at me. If it weren't for my girlfriend, it was at a point I would have smacked him. I asked him why he was yelling and told him to lower his voice and I refused to give him a tip. He went back inside of his van and kept yelling at me until he drove away.

I reported this incident immediately after we were dropped off and was told to email you. I would not be spending time on this and calling, especially since I haven't seen my girlfriend in over six months and just got back dead tired from the trip. The experience was so memorable with this guy that I had to let somebody know right away. When I spoke with a very nice lady over the phone, she asked if there were any witnesses. I believe there are cameras in front of the building and our security guard was helping us with bags and she saw the whole thing. There were few other building tenants around the building but I don't know their names. Also, not sure how deep you want to get into this, but there are traffic cameras, showing how fast he was driving on the way to my home.

I would like to add that the guy was very pleasant at first, seemed like a very nice guy. Just before we arrived to my building, he received a phone call from what I understood to be a friend, possibly talking about a death in that friend's family. He was clearly sad, upset, was saying he was sorry, so I don't know if that was a reason for his reaction. I don't want him to get in trouble, he seemed like a nice guy, but I didn't not appreciate the fast driving, yelling at me in front of my girlfriend and other people and then breaking my suitcase.

All I want from this is somebody to talk to him, remind him not to act like a maniac, for his own good. Getting into people's faces and yelling at them never ends well. I also want someone to get in touch with me regarding my suitcase, as I would like to be reimbursed for it in the amount of \$250.00. I will take a photo of the suitcase if you need to see it and will attempt to find a same one online, or a similar one for your information and comparison.

Don't care at this point what happens to this guy, just want the money for a brand new suitcase. Any other info you need from me, please let me know.

Comments:

I have a complaint of yellow cab of Milwaukee. Driver picked me up in Franksville to the airport. He drives on the service road, made two u-turns underneath I-94 saying he couldn't go that way adding on to the fare-the road was open on both sides. I questioned him about the extra charge, tells me he would take off \$5. then I would pay him \$10. because there's an extra charge for the area. I called yellow cab and said there was no extra fee for the area. Cab driver #260 on 2/12/15 4:15pm is operating a con scheme. He need to be stopped. I was 1 hour within flight time so didn't have the time for a confrontation.

Subject: complaint against cab #587

Dear License Division Manager,
Hello my name is _____ and _____
afternoon sometime around like _____ I at the Hilton Milwaukee City Center. Or, _____ 5 in the
patiently in line and stole a fare from the other cab drivers. It happened in the afternoon before my shift was up. While I
I had a black cab #587 Aziz cut in front of two cabs who were waiting
was loading a cab up for two guests who were going somewhere. Aziz decided to cut in front of the cabs and load up two
guests who were coming out of the hotel. Then he was very defensive in saying that he argued with cabs on other side
who were in line saying he was nexted. I talked to the Yellow cab and the American United Cab and both drivers who
were in the cab stand station on 5th street said that Aziz was not on Wisconsin Ave in the cab stand that afternoon. He did
not have a personal either. The behavior of Aziz was unacceptable and should not be tolerated by hotel guests,
employees and an everyday citizen. We are ambassadors to the city of Milwaukee.

REDACTED RECORD

Hello,

I wanted to place a service complaint.

On Monday morning I took a cab from the MKE Amtrak station to work. When I got into the car, the man in the car asked me how I was planning on paying. When I said I would pay with a credit card, he responded "no, cash only." I told him I only had \$10 with me and he responded that would be enough. When I got to work, he tells me the ride is \$10 (when normally it would only cost me \$7). I immediately ask for a receipt and he gives me his yellow card without any information completed. I then asked him to complete it and he responds "you can complete it. I noticed I needed a cab number for it and when I asked him for the information he responded "it's 545". However, as I got out of the cab and looked back, the license permit on the car read 685. He not only stole money from me but also wanted to make sure the accident wasn't recorded under his name.

Thanks,

Moon Siefert, Linda

Subject: For the attention of Linda - taxi driver complaint

Dear Linda,

My name is [REDACTED] I am writing to you to register a complaint about a taxi driver who recently drove me to the Milwaukee Intermodal station.

I have outlined the incident below including as much detail as possible. My contact telephone number is [REDACTED].

Please let me know if you have any questions and I look forward to your follow up call.

Kind regards,

Incident date: Monday

Taxi pick up time:

From:

To: Milwaukee Intermodal Station

Taxi Company: Milwaukee Yellow Cabs

Taxi number: 303

Driver name and cell phone: Miloud Lassiri/414 712 8612/ GRN0199309 or
DRN0199309

Monday 7/22 – 5:22am:

Driver calls my cell to tell me he is downstairs. As he has arrived 8 minutes early, I told him that I will be there at 5:30am as I wasn't quite ready.

5:30am:

I called back the driver to say that I am running behind and if he could wait a few more minutes. The driver did not pick up.

5:37am:

I reached the cab. As I'm walking to the cab with my 3 bags, the cab driver starts to drive off slowly, knowing that I am walking towards him. It was as though he was trying to make a point that I had kept him waiting. It was extremely rude. I yelled at the cab "wait wait please" and he stopped. He did not help me with my bags or open the door for me. It was a minivan which can be opened from the inside with a press of a button. He could have pressed the button to help me, but he failed to do so.

When I got into the cab, struggling with my 3 bags (hand bag, laptop and gym bag), he yelled at me saying that I had kept him waiting for 20 minutes! This was a complete lie as he arrived 8 mins early and I was only 7 minutes late to my actual pick up time of 5:30am. So theoretically it was 7 mins late. He then continued to tell me that I don't need to order a cab the night before and that there are plenty of cabs at that time of morning, and that way they are not kept waiting. I argued back with him to say that I prefer to book as I can't afford to miss my train in the morning. Then he continued to complain that I kept him waiting etc. I told him that the customer is always right. He eventually stopped yelling, and it was a deadly silence all the way to the station.

Once we reached the station I paid. The total was \$9.25. Which by the way, that route normally costs me around \$7-8, but he clearly took the long way to make more money. I gave him \$10 and told him to keep the change. I did not give him extra because he was so rude and did not deserve a tip. In my mind, a tip is something to be earned, and not expected. Clearly he was annoyed that I didn't tip him enough, and therefore started calling me names in his language. They were obviously derogatory but I could not understand as it was in a foreign language. As I was getting my 3 bags together, and to maneuver myself to get out of the taxi, he sarcastically said "do you need more time?" It was said in a very aggressive and sarcastic tone. He did not open the door or help me with my bags. I opened the door myself, and got out of the car. He immediately drove off with the door still open. As he was driving off, he was continuing to call me names in his language. The driver, driving off like that is dangerous. I could have still had my foot in the door, or one of my bags still attached the seat. He couldn't really see. An accident could have easily been caused.

As soon as I walked into the station, I called Milwaukee Yellow Cabs and left a voice mail with the complaints department. I was angry and shaken up. Nobody deserves to be spoken to in that manner. His behavior and attitude is unacceptable. You do not treat customers like that, especially regular customers like myself who have been using Milwaukee Yellow Cab for 3 years.

I would be grateful if action is taken against this person. I have no doubt there have been other complaints about this driver. I would be extremely surprised if nobody has yet come forward.

Please advise on next steps and I would be happy to answer any questions you may have.

Please don't hesitate to call me on!

Many thanks.

Subject: Taxi 193 is a known crook

I have enjoyed travelling to and working in Milwaukee since last July.

Last at about pm I took a taxi from the Hilton hotel to Mitchell airport – as I have been doing each week for the last six months.

The cab driver stayed in his cab but pushed a button to open the tail gate on his minivan.
I loaded my suitcase and briefcase into the car myself.

Once we arrived I asked him what the \$3 additional charges (see attached photo) were for and he told me "extra bag, and taxes".

I told him I believed taxes are included and nobody had charged me yet for an extra bag.

I paid him (tried to leave no tip but failed), unloaded my bags (this time he at least got out of the taxi) and called his firm Yellow taxi to ask about the fees.

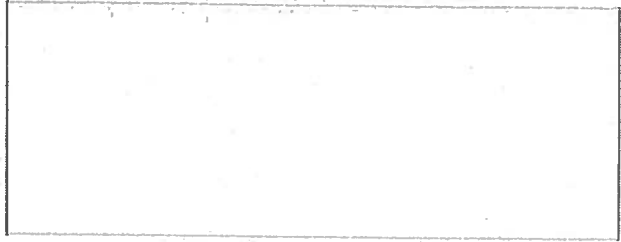

They said I was correct – taxes are included, and the cab driver *can* charge for handling bags – but none of these charges should have applied.

The dispatcher asked which cab it was and I told her 193. "Oh him – we have had many complaints about him but we can't do anything".

She gave me your information.

I also called the Hilton to let the know other guests were at risk of being cheated and they put out the word to forbid 193 from waiting in their lineup.

Not once in all my trips have I had an issue – but this clown is a crook and you may want to reconsider issuing him a license; it reflects poorly on this fine city.

Subject: Tom Wessel GORITEWAY Driving

While driving to work this morning, Wednesday July 24th at about 8:45 AM, a GORITEWAY shuttle came up behind my vehicle at a very rapid rate. This occurred just north of Holt Avenue, while I was driving in the far left lane. The vehicle number is 147. At that time of day there is still quite a bit of traffic on the Expressway (I-94). He was right on my rear bumper trying to push me to go faster. I couldn't because there was another vehicle in front of me. There was a semi truck in the lane next to me. The driver eventually gave up pushing me and went over to the far right hand lane, where he was again blocked by slower traffic. Traffic eventually opened up at about Lincoln Avenue, where the driver went to the middle lane and begin driving at over 80 miles per hour, in and out of traffic. I followed him from a distance, as I was concerned about his erratic driving. He exited to go east on 94 toward the lake with a final exit at Plankinton, where he proceeded through a red light without even slowing down and continued to Wisconsin Avenue, where he turned left. I presume he was going to a hotel for a pickup.

As soon as I arrived at work (9AM). I looked up GORITEWAY's phone number and called them. My call was transferred to a recorded message. I left a message for a return call. I waited an hour. When I did not receive a phone call, I called back. I was told by the person who answered the phone that they were very busy today and that I should call back tomorrow concerning this problem.

I was shocked that they showed little to no interest in being sure that their drivers we're driving safely . I told them at the time if I hadn't heard from them in an hour that I would call the license division about this situation. When I called your department , I was told to write an email to you, which I have now done.

I do not consider racing down the expressway at speeds in excess of 80 miles per hour and going through a red light as a minor infraction. I still cannot believe that the people at GoRiteWay showed no interest in taking care of this problem immediately. I will be waiting to hear from you and hope that this is resolved satisfactorily with public's safety in mind.

Thank you for your time

REDACTED RECORD

To whom it may concern,

I attempted to use your cab service tonight on the way home from summer fest. When my [redacted] and I approached one of your cabs, we were rejected because "the cab did not accept credit cards," although we know this to be false from prior experience with this cab service. Also, with [redacted] dialing the call, the driver of said cab categorized us as "liars" and denied denying our service. When we were rejected from Yellow Cab's service due to our credit card, we immediately took a photo for evidence of the cab that denied us. We have been loyal Yellow Cab patrons and know that credit cards are accepted. However, tonight we took our business to US Cabs because their customer service was undeniably better.

Attached is a photo of the cab that denied our service.

We wanted to inform you of this occurrence in hopes that it would not occur with future customers. We are extremely disappointed in the treatment we received by cab 405, and will no longer be using your service.

Respectfully,

Tuesday, September 15, 2015

Cab ride was from Milwaukee airport (MKE) to

No license or picture was displayed – the meter was not working. When it came time to pay the bill, I was offered up the rate shown in the receipt with only predefined percentages to tip – I left NO TIP as I did not even want to tip 15% which was the minimum tip amount offered.

Apparently the air conditioner in the car was not working and I had to ask him to roll up all 4 windows.

I got this email receipt with no date on it, no pick up or drop off info and no cab number. I find this highly unusual and going to be hard to substantiate on an expense report.

Can't the governing agency require more details on the receipt and an option required to leave a customer preferred tip amount other than prescribed amounts?

Regards and thanks,

Message: Was very disappointed to see Cab number 243 bypass traffic by driving in the bike lane on north water street. Dangerous - could have easily failed to see a bike, coming around that curve. As a cyclist, this is so scary. Can't tell you how many close calls I've had with cabs. Also frustrating to see cab drivers so blatantly disregarding traffic laws that the rest of us are following. Please tell this driver that we see him/her doing this, and that it reflects poorly on your company.

Dear Mr. Wessel,

I would like to place a formal complaint against Yellow Cab driver Sukdeep Singh, cab # 243. On T to engage Mr. Singh's services to drive to the Rock Bottom Brewery, approximately 4 blocks. Mr. Singh made a comment that our guest could walk and refused to take the fare. This was witnessed by our attempts to speak to Mr. Singh and was met with yelling, profanity, and threats resulting in a call by to hotel management and security.

A call was place to Yellow Cab by asking that cab 243 be banned from using the cab stand located at the Hilton.

REDACTED RECORD

Dear Yellow Cab,

I rode in one of your cabs, #243, the afternoon of [redacted] from the downtown Milwaukee Amtrak station to 3209 W Wells St, Milwaukee, WI 53208. (I am fairly, although not 100%, certain that that is the correct cab number. The driver was a darker-skinned male in his late 50s-early 60s who wore a head covering.) During that ride, the cab driver clearly ran a red light. I am reporting this incident out of concern for future passengers' safety.

Thank you,

TO WHOM IT MAY CONCERN:

[RE: Yellow Cab Co-Op Taxi Incident- Cab Permit #517 Driver #5117]

This letter is intended to describe an incident that occurred on the afternoon of January , 2015 around involving the driver of Yellow Cab Co-Op Taxi number 517. I entered the taxi line outside of the Amtrak station and boarded the first available taxi. I entered the vehicle with my luggage and gave the driver my destination. The driver began en route to my destination, and aside from carrying on a cell phone conversation the ride appeared to be fairly typical. As we neared my destination the driver ended his cell phone conversation and asked for my address again. Being that traffic on Prospect Avenue was very busy as usual, I asked the driver to pull into the driveway of the apartment building neighboring my own. He did so and ended the trip requesting that I pay cash. After telling him that I did not have cash and would be paying with a Visa, I was told that his machine was not working but I could give it a try. After several failed attempts with the card transaction, he entered his glove compartment and proceeded to hook up a machine. After this, I was instructed to try processing my payment again. After doing so my payment was successfully processed and the driver began to pull out of the driveway into oncoming traffic on Prospect Avenue. He stopped directly in front of my apartment and waited for the payment receipt to print. In doing so, he stopped traffic and several cars began to blow their horns at the driver. I am not exactly sure why the driver pulled into the street versus finishing the transaction in the driveway.

After signing my receipt I asked the driver if he would pull up his seat and allow me to exit on the driver's side. After refusing I asked that he pull up a few feet into an open space that would allow me to get out without entering oncoming traffic. He became increasingly hostile as he moved his vehicle up and out further into the street. At this point cars were blowing excessively and zooming pass the driver in frustration. The driver then told me to get out and yelled "Fuck You". Afraid for my safety I began to gather my luggage and exit the vehicle slowly so that oncoming vehicles were aware that I was attempting to exit. The driver then began to exit his vehicle continuing to tell me to "Get the Fuck out". I exchanged words with the driver telling him that I would be reporting the incident to the city. As he approached me, I immediately jumped out of the vehicle dropping several of my items into oncoming traffic. He continued to

yell obscenities and stated, "Tell whoever you want. You can tell Obama." He then re-entered his vehicle and sped off. I waited for him to leave before retrieving my items that had fallen onto the street.

I am extremely disappointed in the events that occurred that evening. Not only was I treating poorly as a customer, but I was verbally assaulted and hostilely confronted. As a frequent user of taxis and rideshare services I have never encountered such an unprofessional, intimidating and blatantly disrespectful driver. While past experiences of poor service and refusal to accept credit cards has resulted in me avoiding Milwaukee taxis, I never imagined that an incident to this extent would occur. As a citizen and employee of Milwaukee, I am disgusted by the actions of the driver. While I understand that this could be seen as an isolated incident, it speaks volumes to the culture of Milwaukee taxi companies and the lack of accountability. The driver involved in this incident should not be allowed to service citizens of Milwaukee. Furthermore, Yellow Cab Co-op and the City of Milwaukee needs to be held responsible for ensuring that poorly trained drivers are not allowed to continue violating the rights of taxi passengers.

I have also filed a complaint with the Yellow Cab Co-Op and as of January 28, 2015 I have not heard from anyone regarding this incident. Please feel free to contact me about this issue. I look forward to discussing this incident and ensuring that the driver is held responsible for his actions.

Sincerely,

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
