**Comments/ Recommendations:**

Recommendations would be to make sure there are surveillance cameras located on the north side the building facing towards the front door to the tavern. I recommended an additional surveillance camera to the southeast corner in the rear to cover the west side of the property. I also gave a recommendation to make sure all the cameras that are located on the inside and outside of the structure to be functional and working during all hours of business. While conducting my walk through I observed there to be any no loitering signs located on the premise. I also observed there to be a small entrapment area located at the front door. I recommended there to be light to brighten up the entrapment area. I also recommended that all the flood lights on the property needed to be functional/operational during the night shift. I also spoke with Mark Cannon who stated that he will have contracted security staff on Monday to Thursday 4:00pm to 12:00am and Friday to Sunday from 4:00pm to 2:00am. PDS Security Staff 414-766-3677. I would also like to mention that Gloria Cannon is the agent, on paper. The person who is in charge of the day-to-day operation of Taste Lounge is her brother (Mark Cannon) who is the manager of the Taste Lounge.
