Re: Report of the renewal applications of Hussein P. Govani, Agent for Homestyle Restaurant Group, LLC, for Class "B" Tavern and Tavern Amusement (Cabaret/Nite Club) licenses for the premises located at 721 South Cesar E. Chavez Drive in the City and County of Milwaukee, Wisconsin ("Club International").

#### FINDINGS OF FACT

1. Hussein P. Govani (hereinafter the "License") is the holder of Class "B" Tavern and Tavern Amusement (Cabaret/Nite Club) licenses for the premises located at 721 South Cesar E. Chavez Drive in the City and County of Milwaukee, Wisconsin ("Club International"). Said licenses expire at midnight, April 10, 2009.
2. An application to renew said license was timely filed with the office of the City Clerk on January 29, 2009.
3. Pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes, the matter was referred to the Milwaukee Police Department for investigation. The Milwaukee Police Department responded with a report that could form the basis of non-renewal or suspension of these licenses on January 30, 2009. In addition, there were also claimed neighborhood objections to loitering, littering, loud music and noise, parking and traffic problems, drug and criminal activity, prostitution, trespassing, public urination, operation of the premises in such a manner that it creates a public nuisance, fights, shootings, vandalism, thefts, cruising, disorderly patrons, sales to intoxicated persons, lewd and lascivious behavior, public sex acts on private property, illegal parking, impeding the normal flow of traffic on roadways and alleys, and conduct which is detrimental to the health, safety and welfare of the neighborhood.

4. On February 27, 2009, the City Clerk's Office provided timely notice to the Licensee pursuant to Chapter 90 of the Milwaukee Code of Ordinances and Chapter 125 of the Wisconsin Statutes of an amended report of the Milwaukee Police Department and included therewith a copy of the Milwaukee Police Department report. The matter was scheduled for a hearing on March 9, 2009, commencing at 11:00 a.m. in Room 301B of City Hall. At said date, time and place, the licensee appeared and was represented by Attorney D. Michael Guerin, Gimbel, Reilly, Guerin & Brown, 330 East Kilbourn Avenue, #1170, Milwaukee, Wisconsin, 53202. The Milwaukee Police Department was represented by Assistant City Attorney Jarely Ruiz, 841 North Broadway, 7<sup>th</sup> Floor, Milwaukee, Wisconsin 53202.
  
5. Based upon the sworn testimony heard and the evidence received at the hearing, the Committee finds the following:
  - A. On April 25, 2008 at 11:45 pm, officers of the Milwaukee Police Department conducted a license premise check at 721 South Cesar E. Chavez Drive. Officers spoke with the bartender regarding the licensed premise check. Officers conducting the premise check observed numerous patrons that belong to the 2-1 street gang inside the tavern, several of which were acting as security guards for the tavern. Officers knew this based on past contacts and arrests made on these subjects for various felonies, misdemeanors and municipal violations. Officers also noted that they had received anonymous citizen complaints regarding Club International for loud music coming from the bar, traffic congestion and disorderly patrons exiting the tavern specifically during the weekends.
  
  - B. On June 18, 2008, officers of the Milwaukee Police Department sent a letter to the licensee, Hussein Govani, regarding the nuisance activity at 721 South Cesar E. Chavez Drive. The letter referenced three separate trouble with subject complaints in which Milwaukee police were flagged down in front of the premise.
  
  - C. On July 30, 2008, officers of the Milwaukee Police Department sent a letter to the licensee Hussein Govani regarding his failure to respond to the notice regarding nuisance activity at 721 South Cesar E. Chavez Drive. At hearing, counsel for the Milwaukee Police Department stated that no plan for abating nuisance activity had yet been presented to the Milwaukee Police Department.

- D. On August 14, 2008, officers of the Milwaukee Police Department were dispatched to South Layton Boulevard and West National Avenue for a shooting complaint. The investigation revealed that two patrons were inside Club International dancing when a verbal argument started between groups of females. After closing, both parties involved in the earlier argument stopped at a gas station at 27<sup>th</sup> and National. The fight continued there when an unknown person pulled out a gun and started shooting. One victim was shot in the abdomen and the other victim was shot in the hand. Arrests were made and charges of disorderly conduct while armed and carrying concealed weapon are set for jury trial on April 7, 2009. At hearing, counsel for the licensee noted that the actual shooting occurred eleven blocks from the bar.
- E. On August 16, 2008 at 1:58 am, officers of the Milwaukee Police Department were dispatched to a fight at 721 South Cesar E. Chavez. Officers spoke to a security officer who stated three men were being detained for fighting inside the establishment. Officers gave citations to all three subjects for disorderly conduct. Club security contacted the Milwaukee Police Department.
- F. On August 28, 2008 at 11:02 pm, officers of the Milwaukee Police department conducted a tavern check at 721 South Cesar E. Chavez Drive. As officers entered, they could hear rap music being played by a DJ and observed no proper permit for the music. Police spoke to the manager who stated he was unaware of such restrictions regarding music. A citation was issued to the licensee, Hussein Govani, for licensing requirement. No citation was found in the municipal system. At hearing, counsel for the licensee stated the citation had been dismissed. Officers also found the rear exit door locked during business hours. A citation was issued to the licensee Hussein Govani for safe egress, which was also dismissed without prejudice on December 12, 2008.
- G. On September 3, 2008, pursuant to § 80-10 of the Milwaukee Code of Ordinances, Milwaukee police requested a nuisance abatement charge be sent to the owner of the premises at 721 South Cesar E. Chavez Drive, Hussein Govani. The charge for the first bill was \$18.58 for a call for service for a fight complaint at 721 South Cesar Chavez on August 16, 2008 at 1:58 am. (CAD # 082290210) The charge for a second bill was \$43.08. The bill is regarding the service call from August 31, 2008 at

2:02 am for a trouble with subject complaint (CAD # 082440239). At hearing, it was disclosed that the Milwaukee Police Department has initiated the nuisance abatement procedure of § 80-10 of the Milwaukee Code of Ordinances. However, appeals were made and those matters have been vacated due to errors in the notices. The Milwaukee Police Department is in the process of issuing the nuisance abatement procedures.

- H. On September 5, 2008 at 1:25 am, officers of the Milwaukee Police Department were monitoring traffic at 721 South Cesar E. Chavez Drive when they observed an auto in the parking lot of Club International playing excessively loud music, which could be heard from more than 50 feet. Officers also observed security officers who were employed by Club International standing outside of the business and not enforcing the noise nuisance ordinance. Officers conducted field interviews of the persons inside the auto and issued the driver a citation for noise nuisance.
- I. On September 20, 2008 at 2:15 am, officers of the Milwaukee Police Department were monitoring the tavern closing at 721 South Cesar Chavez Drive when officers observed several patrons exiting the club, loitering in the parking lot and refusing to leave. Officers observed three security guards for Club International in the parking lot who were not attempting to have patrons leave the area. Officers then observed an auto leave the parking lot of Club International at a high rate of speed and squealing tires. Officers conducted a traffic stop and issued the driver a citation for unnecessary vehicle noise.
- J. On November 9, 2008 at 2:10 am, officers of the Milwaukee Police Department were monitoring closing at 721 South Cesar E. Chavez Drive when officers observed several patrons leaving Club International walking in the road obstructing traffic on West National Avenue. Some patrons were observed getting into their autos and turning on the car radios loud enough to be heard from 50 feet away. One driver was cited for excessive noise prohibited.
- K. On November 29, 2008 at 1:05 am, officers of the Milwaukee Police Department conducted a tavern check at 721 South Cesar E. Chavez due to a fight they observed in the parking lot of Club International. Police broke up the fight and found that one subject had an outstanding warrant and was arrested. Another subject was observed urinating

on a squad car. Police conducted a field interview on that subject and found that he was in possession of 15 individually wrapped marijuana nickel bags. He too was arrested and charged with POCS-THC with intent to deliver and received a citation for disorderly conduct. Further investigation revealed the subject had been drinking earlier inside Club International. Police then spoke with a security guard regarding the fight who stated that it happened outside and that he didn't care. Officers then conducted a tavern check and two of the bartenders were yelling at police causing a disturbance as they tried to identify a patron who was refusing to give his name. The bartenders were uncooperative with police and refused to provide ID's. Police issued both bartenders citations for disorderly conduct and resisting/obstructing police. Citations for McFarland and Gibbons were not found in the Municipal Court System. The bartenders were fired for their conduct by the licensee.

- L. On January 4, 2009 at 1:58 am, officers of the Milwaukee Police Department were dispatched to 721 South Cesar E. Chavez for a fight complaint. As officers arrived, they observed four to five people sitting on the sidewalk, handcuffed. They also observed several autos with loud stereos in the parking lot and saw numerous patrons who were leaving the tavern obstructing traffic in the streets with one almost being hit by a car. Police spoke with security who stated they were detaining subjects who they believed were involved in a fight that took place in the bathroom. The investigation found that only one subject was involved and he was issued a citation for disorderly conduct. The club had contacted the Milwaukee Police Department.
- M. On February 1, 2009 at 1:44 am, officers of the Milwaukee Police Department were dispatched to a battery complaint at 721 South Cesar E. Chavez Drive. Officers spoke to the caller/victim who stated she was inside Club International when she and another male patron started to argue. The victim stated she was then pushed, punched and kicked by the subject. The subject was stopped by security but shortly released after the incident. Officers tried to make contact with employees at Club International but the business had closed for the night.
- N. On February 7, 2009 at 2:20 am, officers of the Milwaukee Police Department on routine patrol observed a crowd gathering in the parking lot of Club International at 721

South Cesar E. Chavez Drive. Police observed autos driving recklessly as they tried to exit the parking lot, heard loud music coming from autos, observed males mashing at females and intoxicated subjects shouting at one another. Police also observed autos that were passing by with women exposing their breasts. A fight was observed and police called for more squads to help break up the fight and clear the area. Once the area was cleared, officers attempted to make contact with tavern employees who were reluctant to let police into the tavern and who were refusing to answer questions that were asked by officers.

- O. On February 15, 2009 at 1:35 am, officers of the Milwaukee Police Department were monitoring the parking lot of Club International when officers observed a male attempting to push past security officers at the front door of club. This patron was refusing to cooperate with security and started to shout profanities. Officers intervened, at which time the patron physically resisted police. The patron was decentralized and placed into custody. It should be noted that due to this patron's actions, people began to gather to watch. Officers called for more squads to help disperse the crowd. A citation was issued for resisting/obstructing. Officers did speak with security officers who stated the patron was kicked out earlier in the night because he had hit another patron white inside the club. The licensee was notified.
- P. At hearing, objecting neighbors complained of noise, litter, and disorderly patrons regularly disturbing their sleep at closing time on the weekends. They also testified to the licensee and his staff being indifferent to hostile when these problems have been brought to the attention of the licensee or his security staff. The conduct of the patrons at closing time has generated fear among some neighbors. Some neighbors testified the operation of the club does not disturb them.
- Q. The licensee has hired a security consultant to begin to address these problems. At hearing, he stated that he would be filing a noise and abatement plan with the Milwaukee Police Department.

## CONCLUSIONS OF LAW

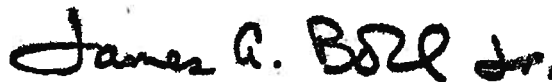

1. The Committee has jurisdiction to hold hearings and provide Findings of Fact and Conclusions of Law and a Recommendation to the full Common Council pursuant to Chapter 125 of the Wisconsin Statutes and Chapter 90 of the Milwaukee Code of Ordinances.
2. Based upon the above facts found, the Committee concludes that the licensee, Hussein P. Govani, has not met the criteria of Chapter 90 of the Milwaukee Code of Ordinances or Chapter 125 of the Wisconsin Statutes to allow renewal of his Class "B" Tavern and Tavern Amusement (Cabaret/Nite Club) licenses without undergoing a twenty-five (25) day suspension of said licensee based upon the police report and the neighborhood testimony. The Committee finds the neighborhood objections and police report, as stated above, to be true.
3. In order to protect the health, safety and welfare of the citizens of the City of Milwaukee, it is the recommendation of the Licenses Committee that the full Common Council of the City of Milwaukee should exercise its judgment to renew the Class "B" Tavern and Tavern Amusement (Cabaret/Nite Club) licenses for the premises located at 721 South Cesar E. Chavez Drive in the City and County of Milwaukee, Wisconsin ("Club International") with a twenty-five (25) day suspension based upon the police report and neighborhood objections.

## RECOMMENDATION

Based upon the Findings of Fact and Conclusions of Law stated above, the Committee, by a vote of four (4) ayes and one (1) no, recommends that the Class "B" Tavern and Tavern Amusement (Cabaret/Nite Club) licenses be renewed with a twenty-five (25) day suspension based on the police report and neighborhood objections.

Said suspension is to be in effect between 12:01 a.m. on April 11, 2009, through midnight, May 5, 2009.

Dated and signed at Milwaukee, Wisconsin this 13th day of March, 2009.

While on scene, police were advised of another fight inside the men's room of the restaurant. Both subjects involved in that were cited for disorderly conduct. Police observed that no security was on scene of the business. The manager stated that the owner cancelled security services and was in the process of contracting with a new company. No citations were issued regarding the incident.

AA. At hearing, the Committee was advised that in July 2008, the licensee hired a new and more competent security firm. The licensee did this on his own to address the clearly out-of-control situation that existed during the first half of 2008. That action resulted in a significantly diminished record of police calls in the last half of 2008. The licensee explained that the restaurant closes at 3:00 a.m. and the delivery operation closes at 4:00 a.m.

#### CONCLUSIONS OF LAW

1. The Committee has jurisdiction to hold hearings and provided Findings of Fact and Conclusions of Law and a Recommendation to the full Common Council pursuant to § 84-7 of the Milwaukee Code of Ordinances.

2. Based upon the above facts found, the Committee concludes that the licensee, Mark H. Gold, has not met the criteria of § 84-7 of the Milwaukee Code of Ordinances to allow renewal of his Extended Hours Establishment license without undergoing a ten (10) day suspension of said license based upon the police report. The Committee finds the police report as stated above to be true.
3. In order to protect the health, safety and welfare of the citizens of the City of Milwaukee, it is the recommendation of the Licenses Committee that the full Common Council of the City of Milwaukee should exercise its judgment to renew the extended hours establishment license for the premises located at 1827 North Farwell Avenue in the City and County of Milwaukee, Wisconsin ("Pizza Shuttle") with a ten (10) day suspension based upon the police report.

#### RECOMMENDATION

Based upon the Findings of Fact and Conclusions of Law stated above, the Committee, by a vote of four (4) ayes, zero (0) noes and one (1) excused, recommends that the Extended Hours Establishment license be renewed with a ten (10) day suspension based on the police report.

Said suspension is to be in effect between 12:01 a.m., May 1, 2009 through midnight, May 10, 2009.

Dated and signed at Milwaukee, Wisconsin this 13th day of March, 2009.
