SUBJECT: 5th ALD. DIST. - FILE #150352  
INSTALL YIELD SIGNS ON WEST AUER AVENUE  
AT NORTH 88TH STREET

Dear Alderman Bohl:

This is in response to your request on behalf of local residents to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the northeast corner of the intersection in the form of a tree and on the northwest corner of the intersection in the form of a hill and a bush that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the yield control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
