To the Honorable, the Common Council

Dear Council Members:

The attached resolution authorizes the Department of Public Works, Infrastructure Services Division to apply for two 2009 Urban Nonpoint Source and Storm water (UNPS&SW) grants from the State of Wisconsin, Department of Natural Resources (WDNR). The construction grant is for the construction of green streets and is for \$150,000. The planning grant, for \$85,000, is to retain the services of a consulting engineering firm to review and provide an evaluation of the City's Source Loading and Management Model (SLAMM) analysis.

The resolution will authorize the City Engineer to execute and submit an application for both grants to the WDNR. We recommend adoption of the attached resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
