General Guidelines

- Officers are subject to all Milwaukee Police Department Code of Conduct and other policies. A contractor has no authority over police personnel and is restricted to providing only a general assignment of duties to be performed by the officer(s).
- Officers are in uniform.
- Officers will not provide civil legal services or act as a witness to civil legal proceedings.
- Officers cannot be put in a position to determine who is admitted, served or ejected from an establishment or event. Officers will not operate metal detectors or otherwise perform searches of people entering the business or event.
- Officers will be assigned to events based on MPD procedures. Requests for specific officers will not be honored.
- Officers will not make any record check of any individual except during an investigation of potential ordinance or statute violations.
- Officers must confine their duties to those of a law enforcement nature; officers cannot enforce the rules and regulations of the contractor that are not otherwise a violation of law.
- Requested staffing levels are subject to review. Each application will be reviewed to determine the correct staffing levels. Staffing levels are based upon a variety of factors, to include, but not limited to, the following; estimated attendance, the sale and/or consumption of alcoholic beverages on the premises, previous event history, physical layout of the site, traffic and/or parking issues, and general crime trends in the vicinity.
- The minimum time for any event is 3 hours.
- Officers will not be paid at the jobsite. Contractors will receive an invoice after the date of the event and the officer(s) timesheet has been received. There are numerous pay grades within each rank and the contractor will be billed based upon each member's actual pay grade. The maximum pay grades are listed below.
- If additional police resources or equipment are requested, the fees will be determined at the time of application.
