Subject: Peoples Flag

People's flag on facebook asked people to contact elected officials with input.

Here's mine, it's derivative and the colors lack vibrancy. Without explanation or context no one would know its Milwaukee's City Flag. The name, Peoples Flag is terrible, more Mao than Milwaukee. Seems to be closer to a 70's rust belt relic than next century fresh.

On a separate note, is the city going to own all rights to the flag and all proceeds and royalties once chosen? Seems like t-shirt generation is already trying to profit off it.
