RE: Damage by City of Milwaukee to Patricia Taylor's Automobile on 12/20/2022

Dear City of Milwaukee Personnel,

I am following up and preparing this notice of claim against the City of Milwaukee following my discussion with Paul, who identified himself as the supervisor for the City of Milwaukee Garbage Disposal Group. I met with Paul following the action of a City of Milwaukee flatbed that negligently and carelessly smashed into my parked car in front of my residence at 1633 N. Arlington Pl., Milwaukee, WI 53202. Paul came to my residence and investigated the damage to my vehicle within five days of the incident on 12/20/2022. My residence at 1633 N. Arlington Pl., Milwaukee, WI 53202 is a City of Milwaukee Housing Authority for Senior Living. At the time of the investigation, he acquired footage of the video depicting the accident on 12/20/2022. Paul obtained this footage from Mr. Santos, an I-Team security officer for my building.

This footage will clearly demonstrate that my vehicle, a 2000 Buick La Sabre Custom 4D Sedan, was legally parked in front of my building and the City of Milwaukee flatbed smashed into the front end causing significant damage to my vehicle rendering it in a dangerous condition to drive.

One of the maintenance workers at my Arlington Pl. residence, George Brown, talked to the driver of the City of Milwaukee flatbed truck on 12/20/2022. Mr. Brown advised that he heard the driver call his dispatcher to report the incident. Mr. Brown also heard the City of Milwaukee driver say, "I don't know how I could have hit this car."

I have obtained, as requested by the information left by Paul at the time of the investigation, two (2) itemized estimates for the repair of my badly damaged Buick La Sabre. A copy of each of the 2 estimates is enclosed with this letter.

The itemized damages I have sustained from the negligent action of the City of Milwaukee in this regard are as follows:

**Repair Costs:** \$2133.39 - \$2359.77

**Out of Pocket Additional Transportation Costs:** \$80/month x 6 months (estimated time to process claim) = \$500

**Additional Out of Pocket Costs:** \$20 to obtain estimate of repair

**Total:** \$2653.39 - \$2879.77

My car that has been damaged has significant sentimental value since I purchased the car from my uncle who I was very close to. I have discussed the resulting emotional impact of the damage to this car with a mental health professional that I was otherwise seeing. While at the present time I have not made these ongoing mental health treatments as part of this claim, I may contemplate doing so in the future.

As request in the document left by Paul, my personal information is as follows:

Patricia Taylor  
1633 N. Arlington Pl.  
Milwaukee, WI 53202  
(414) 272-3312 (my cell phone number)

Feel free to contact me at this number at any time.

Since the negligence on the part of the City of Milwaukee is undisputed, I would appreciate if the City of Milwaukee would make payment in the amount of \$2653.39 - \$2879.77 as soon as possible.

Very Yours Truly,

Patricia Taylor
