PA-33E Narrative

On Sunday, January 24<sup>th</sup>, 2016 at approximately 4:06pm, Police Officer Paul HELMINIAK and I responded to Froedtert hospital for a trouble with subject complaint. Upon arrival we spoke with the victim, Stephanie J. AKER (F/W 06/29/80) who stated that she went to the Lucky Ginger bar with some friends. AKER stated that she found small marble like glass objects in the bottom of her glass of wine. AKER stated that she informed the bartender of the objects in her glass. AKER stated she thought that the glass objects came from the bottle of wine that was poured into her glass and that it was some sort of manufacturing defect. AKER stated the bar manager appologized for the issue and gave her a discount on her bill. AKER left the bar and went home. AKER stated that she began to feel ill and had stomach pain and diarrhea. AKER stated that she believed that the objects in her glass made her feel ill. Officer HELMINIAK and I went to the Lucky Ginger bar to review surveillance footage of the incident. We observed one of AKER'S friends to be the person placing the glass objects in AKER'S wine glass. We determined that the bar had nothing to do with the placing of the glass objects in the wine glass.

Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered.
