INSTALL NO PARKING ON THE WEST SIDE OF
NORTH 110TH STREET FROM
WEST GRANTOSA DRIVE TO A
POINT 200 FEET NORTH

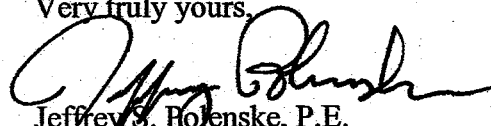

Dear Alderman Bohl:

This is in response to your request on behalf of Mr. Tom Farr to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that motorists exiting the condominium's driveway have a difficult time seeing traffic traveling southbound on North 100th Street when vehicles park close to their driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase motorists' visibility of southbound traffic.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
7TH ALDERMANIC DISTRICT

Dear Alderman Gordon:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

- 1) North 19th Street from West Center Street to a point south – No Parking
- 2) North 22nd Street from West Fond du Lac Avenue to a point north – No Parking
- 3) North 25th Street from West North Avenue to West Garfield Avenue – Two Hour Parking
