CITY CLERK'S OFFICE

7-16-2012

I am happy to object my Renewal with a \$10 (10)
Suspension Let the Committee brought forth on
7-10-2012.

We Believe that the "Royal Blue" is entitled
to Progressive discipline. In the 3 years that
we have been operating we have not
Received any Warning Letter, or disciplinary
Action, from the neighborhood, city hall or police
department. We have been operating with out
any complaints believing that our operation strategies
have been Successful and Efficient.

We have taken a troubled lot that has had Numerous
Police Contact and fined it Around.

We have Only had (1) police Contact that still has
Not been directly Connected to us in 3 years.
Now it states that we will undergo a Suspension for
10 days. I don't believe to be fair or helpful.

Please take another look at the facts and wif.
Here say and reconsider your ruling.

Maybe a Renewal with a warning, is fair & helpful
But Not Suspension. Thanks Karlyn Agt. Axt
