Mr. Tony Zielinski  
Common Council Administration Manager  
City Clerk's Office  
City Hall, Room 205

Dear Mr. Zielinski:

The Health Department is submitting a resolution amending Common Council File 951790 which authorized the acceptance and expenditure of contributions received by the Health Department's Tuberculosis Incentive program. The program encourages clients' completion of tuberculosis therapy by providing incentives. The American Lung Association has been providing the funding to purchase the incentives. The program has been in effect as a contribution account since 1996. This resolution increases the maximum allowable amount to be received from the Association from \$1,000 to \$2,500.

All appropriate paperwork is attached. Thank you for your consideration.

Sincerely,

Janet Nell  
Administrative Assistant-Sr.
