Subject: Introduction of Ordinances Related to Grant Projects and Contributions

Dear Honorable Members:

We are submitting the attached ordinances for introduction by title only at the January 18, 2017, Common Council meeting.

Ordinances related to grant projects and ordinances related to contributions received by the city need to be amended in order to implement audit recommendations developed by the City Comptroller based on their audit of fund carryover compliance. We have worked with the Comptroller's Office to develop amendments to city ordinances needed to implement the audit recommendations. We are requesting the file to be introduced by title only at this time. The file will be filled prior to the January 18 Council meeting. Please contact Eric Pearson of my staff at ext. 8554 for further information regarding this request.

Respectfully submitted,

Mark Nicolini  
Budget and Management Director
