Jim Cooney

License Division Manager

If you have questions regarding this notice, please contact the License Division at (414) 286-2238.

Dear Members of the Milwaukee Common Council,

I am writing to express my concern regarding the practice observed at Fat Tuesdays (333 W Juneau Ave, Milwaukee, WI 53203), where customers are allowed to leave the premises with their opened alcoholic beverages. This activity raises significant legal and public safety issues that need to be addressed promptly.

According to Wisconsin state law and Milwaukee municipal code, it is illegal for any licensed establishment to permit the removal of opened alcoholic beverages from its premises. Specifically, Wisconsin Statute 125.32(3)(b) states that no licensee may permit the removal of any open container of alcohol from the premises. Additionally, Milwaukee's municipal code aligns with this statute to ensure public safety and community well-being.

Allowing patrons to exit an establishment with open containers of alcohol poses several risks:

- 1. Public Safety Concerns: Individuals carrying open containers can easily contribute to public disturbances, littering, and noise pollution, which negatively impacts the surrounding community.
- Increased Risk of DUI: Patrons leaving with open alcoholic beverages may be tempted to consume them while driving, posing a significant risk to road safety.
- 3. Negative Community Impact: Such practices can undermine the quality of life for residents and businesses in the vicinity, leading to potential declines in property values and increased demand on law enforcement resources.

Additionally, I have observed that the Milwaukee Police Department officers patrolling 3rd Street appear to be taking no action when they see patrons from Fat Tuesdays carrying open containers of alcoholic beverages on the streets. This lack of enforcement exacerbates the issue, as it sends a message that such behavior is acceptable, further endangering public safety and undermining the rule of law.

Furthermore, the lack of action against Fat Tuesdays negatively impacts other local businesses. When one establishment allows patrons to leave with open containers, it creates unfair competition and can hurt the alcohol sales of other businesses that adhere to the law. This undermines the efforts of responsible business owners who comply with regulations and strive to maintain a safe and orderly environment for their customers.

TICENSE DIFISION

It is important to note that while Fat Tuesdays is the primary establishment observed allowing this practice on a daily basis, the entire 3rd Street area should be reminded of the local laws regarding open containers. Ensuring all businesses are aware and compliant will help maintain fairness and safety across the board.

I urge the Milwaukee Common Council to investigate this matter and enforce the existing regulations strictly. Ensuring that establishments like Fat Tuesdays comply with state and local laws is crucial for maintaining order and safety within our community. Moreover, it is essential that the police officers on duty are reminded of their responsibility to enforce these laws consistently and effectively.

Thank you for your attention to this important issue. I am confident that the Council will take the necessary steps to address this concern and uphold the legal standards that protect our community.

Sincerely,

Notice of Public Hearing
