To the Honorable
Common Council

Subject: North 35th Street Bridge
over the Lincoln Creek

Dear Council Members:

Common Council Resolution File Number 991756, adopted March 31, 2000, authorized the execution of a project agreement with the Wisconsin Department of Transportation (WISDOT) for the programming and rehabilitation of the North 35th Street Bridge over the Lincoln Creek under the Local Bridge Replacement Program. The project agreement provided funding participation of 80 percent State/Federal aid for preliminary engineering costs with 20 percent City participation. Preliminary engineering activities on this project are underway.

A revised project agreement adding the construction phase of the project to the previously approved preliminary engineering funding has been received from the WISDOT to be executed by the City of Milwaukee. The construction phase is also eligible for 80 percent Federal and/or State aid under the Local Bridge Replacement Program.

We have prepared and recommend adoption of the attached resolution authorizing and directing the Commissioner of Public Works to execute the revised project agreement.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua
Commissioner of Public Works
