

Reply to Common Council File No. 021508
From DOA-Budget and Management Division

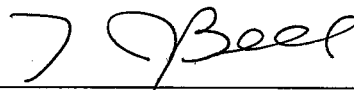

May 29, 2003

Ref: 03013(06)

This resolution authorizes a monthly reimbursement of \$75 to Common Council members who elect to use their personal wireless phones in lieu of City issued phones in the course of conducting official City business. The reimbursable figure will be reviewed annually and adjusted based on the cellular telephone services component of the consumer price index.

Rather than simply issuing monthly payments for cellular phone usage, another option is for members of the Council to submit their monthly bills and then the City could reimburse Council members up to \$75.

RECOMMENDATION: APPROVE RESOLUTION #021508 CONCERNING THE ATTACHED RESOLUTION.
