RE: Tower Automotive Site

Dear RACM Commissioners:

As a company located in the 30th Street Industrial Corridor, we recognize the positive impact that the redevelopment of the Tower Automotive Site will have on our business, area residents and the revitalization of the 30th Street Industrial Corridor and the surrounding neighborhood.

Capitol Stampings Corp. is proud of the opportunities we have provided the inner city residents of Milwaukee. We are also excited about the opportunities for the redevelopment of the Tower site and look forward to seeing this become a center for industry, commerce and jobs for the neighborhood and the greater Milwaukee community.

Please accept this letter in support of the City of Milwaukee and its proposal to create a tax incremental finance district for the area surrounding the Tower Automotive Site.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gary Wenzel', written over the word 'Sincerely,'.
