Re: Application for a Sister City relationship with Kragujevac, Serbia

Dear Honorable Committee Members,

I write today to express my enthusiastic support for the Saint Sava Serbian Orthodox Cathedral's application to form a Sister City relationship between the City of Milwaukee and the City of Kragujevac, Serbia.

As the proud daughter of a Serbian immigrant I believe strongly that a formal sister city relationship would contribute to the vibrancy of Milwaukee by creating meaningful economic, educational, and cultural connections between the two cities. The Serbian community in Milwaukee is strongly supportive as you will see in the Sister Cities Committee's application materials. We make up a fast growing population on Milwaukee's south side and are committed to sharing our rich culture with the city and are certain that this new partnership will promote a meaningful exchange.

Thank you for your efforts to support cross-cultural understanding and appreciation.

Respectfully,

Ald. Marina Dimitrijevic, Chair
Finance and Personnel Committee
