Common Council File 021798 contains a charter ordinance relating to the military service credit under the Employees' Retirement System for Fire Management employees. The Global Pension Settlement allows employees who retire prior to December 31, 2002, one year of creditable year of service for every three years of active military service prior to enrollment in the retirement system to a maximum of 3 years of creditable service. This charter ordinance removes the sunset for fire department nonrepresented management employees retiring on or after January 1, 2003.
