I. INTRODUCTION

A. Background

In 1984, the Wisconsin legislature created 66.1109 (formerly S. 66.608) of the Statutes ((see Appendix A) enabling cities to establish Business Improvement Districts (BIDs). The purpose of the law is “to allow businesses within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities.” (1983 Wisconsin Act 184, Section 1, legislative declaration.)

Business improvement district assessments are quite similar to traditional special assessments wherein property owners are assessed for improvements or services that benefit them. Unlike the traditional special assessment, however, business improvement district assessments can be used to finance a wide range of activities, services, and improvements. Some BIDs in Wisconsin have funded physical improvements like street lighting or parking; others have funded business recruitment programs; others have promoted increased services in the district such as security or snow removal; still others have produced promotional and marketing materials and events.

B. Physical Setting

The boundaries of the Burleigh Street BID follow Burleigh Street from Sherman Boulevard on the east, to 60th Street on the west.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are exhibited in Appendix B of this plan. A listing of the properties included in the district is provided in Appendix C.

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The objective of the BID is to: Maximize resources and implement activities to promote, manage, maintain and develop the District in ways that will result in neighborhood safety, improved area image, retain existing businesses and attract new business development.

B. Proposed Activities – Year 2022

Principle activities to be engaged in by the district during its year twenty of operation will include:

Develop and implement timely information on topics such as police patrol, garbage clean-up, marketing opportunities, and other topics of local concern to members, retailers, and others in the form of article, fliers, e-mails and other appropriate methods.

Creating a new and improved business directory, website and logo and encourage businesses to relocate to the district.

<u>General Expenses - \$4300.00</u>		
Office supplies, including software	\$	1200.00
Insurance	\$	1600.00
Equipment, software, including repair and maintenance	\$	1500.00
<u>Outsides Services - \$2500</u>		
Accountant (regular and audit)	\$	2000.00
Legal	\$	500.00
<u>Miscellaneous and contingency - \$2363</u>	\$	2707.00
<u>Total</u>	\$	42407.00

Any funds remaining on any budget line item above may be moved to another budget line item, as determined by the BID board. Any unused funds remaining at the end of the year shall be used for the following plan year.

The Board President and BID Manager, at their discretion, for emergency repairs, may make expenditures of \$1000.00 or below. In non-emergency situations encompassing normal street repairs and maintenance, the Board President and BID Manager are authorized to spend up to \$300.00 without prior Board Approval. The petty cash items purchased are to be reviewed monthly. The BID board will not incur any long-term debt which cumulatively **exceeds twice** the current operating budget without the consent of the majority of the board. Long term debt is defined as any debt with payments of principal and interest that exceeds **twelve** months.

If any additional funds are received by the BID, whether from gifts, grants, government programs or other sources, they shall be expended for the purposes identified herein, and in the manner required by the source of such funds, or, if the funds have no restrictions, in the manner determined by the BID board. All physical improvements made with these funds shall be made in the BID district.

D. Financing Method

It is proposed to raise **\$41,414.59** through BID assessments (see Appendix D). It is estimated that 100 % of the BID budget expenditures will be raised through assessments, with the remaining 3.8% financed through cash on hand in the BID bank account.

E. Organization of BID Board

The Mayor appoints members of the District Board (“Board”). The board’s primary responsibility is to implement the Operating Plan. This will require the board to negotiate with providers of service and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of BID assessments.

State law requires that the board be composed of at-least five members and that a majority of the board members be owners or occupants of property within the district

No one individual, and no more than one representative of any entity, may hold more than one board position. If, during the course of a term a board member’s situation changes, so that he/she no longer fits the definition for that seat, such as by selling their parcel, he/she shall continue to serve in that position until the end of that calendar year, and a new member fitting the requirements of that seat shall be appointed to complete that term, prior to the next January 1st, with the members whose terms are expiring.

On or before December 1st, of each year, the board will submit its recommendations to the mayor of the City of Milwaukee for seats of Board members whose terms are expiring.

Burleigh Street BID board be structured and operate as follows:

1. **Board size** – at least five members – not to exceed seven members.
2. **Composition** – 5 members shall be owners of BID assessed property or operators of businesses, or their representative within the district, and one representative of the Sherman Park Community, to be recommended by the president of the Sherman Park Community Association (SPCA) and approved by the sitting BID board. The board shall elect its officers from among its members.
3. **Term** – New appointments to the board shall be for a period of two years.
Reappointment to the board shall be for a period of three years.
4. **Compensation** – No board member shall receive compensation from BID #27.
5. **Meetings** – All meetings of the board shall be governed by the Wisconsin Open Meeting Law. The board shall meet regularly, at least twice each year. The established By-Laws will be used to govern the conduct of the meetings.
6. **Record Keeping** – Files and records of the board’s affair shall be retained per public record requirements.
7. **Staffing** – The board may employ staff and/or contracts for staffing services pursuant to this plan and subsequent modifications thereof.
8. **Officers** – The board shall elect its officers (Chairman, Vice-Chairman, Treasurer, and Secretary) from its members.

IV. METHOD OF ASSESSMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, a fixed assessment on the assessed value of the property was selected as the basic assessment methodology for this BID.

As of June 31, 2021, the property in the proposed district has a total assessed value of \$.

This plan assesses the property in the district at a rate of \$3.70 per \$1,000.00 of assessed value. Assessments less than \$200.00 will be assessed at a flat rate of \$200.00, and the maximum amount of assessment with not exceed \$10,000.00.

The maximum amount of assessment rate (\$3.70) increase per \$1000 that the BID Board can effect can be no more than 25% greater than the assessment in the previous year without first obtaining a positive vote of property owners representing at least 50%+1 of the assessed properties. Any assessment increase of 25% of millage or less must be approved by a positive vote of assessed property owners at a special meeting called for that purpose with at least 5 days written notice given before that meeting. Any property shall not pay more than a maximum assessment flat rate of \$10,000. No property shall be assessed for less than \$200. The only locale that can change this amendment other than a special meeting is the Annual Meeting.

Clarification of Assessment Rate set out above:

- a. The maximum assessment rate is \$3.70 per \$1000.
- b. This assessment rate shall not be greater than 25% of the previous years assessment rate.
- c. If a greater increase is desired, the Board must obtain permission of 50% + 1 current property owners present during a special meeting called for that purpose.
- d. Five days notice shall be given before said meeting.
- e. Any property shall not pay more than a maximum assessment flat rate of \$10,000. No property shall be assessed for less than \$200.
- f. The only locale that can change this amendment other than a special meeting is the Annual Meeting.

B. Excluded and Exempt Property

The BID law requires explicit consideration of certain classes of property. In compliance with the law, the following statements are provided.

1. State Statute 66.1109 (1) (f) Im: The district contains property used exclusively for manufacturing purpose, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this plan because it is assumed that they will benefit from development in the district.
2. State Statute 66.1109 (5) (a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID exempt properties in Appendix D, as revised this year.
3. In accordance with the interpretation of the city attorney, regarding State Statute 66.1109 (1) (b), property exempt from general real estate taxes has been excluded from the district. Privately owned tax-exempt property adjoining the district and which is expected to benefit from district activities may be asked to make financial contribution to the district on a voluntary basis.
4. When and if any amendment to the BID law is enacted, that will allow tax-exempt parcels to be included within the boundaries of BIDs, any tax-exempt parcels that are excluded from the boundaries shown in Appendix C, but which have frontage on BID 27 area shall be included in the district without need of separate action by the Common Council of the city of Milwaukee.

V. RELATIONSHIP TO MILWAUKEE COMPREHENSIVE PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services and tax base rather than passively accepting loss of jobs and population or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district, promote its development. To this end, the City expected to play a significant role in the creation of the Business Improvement district and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan and provide assistance as appropriate thereafter.
2. Monitor and when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1109 (3) (c) of the BID law.
5. Provide the board, through the Tax Commissioner's office, on or before June 30th of each plan year, with the official city records and the assessed value of each tax key number with the district, as of January 1st of each plan year, for purposes of calculating the BID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the BID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1109 (3) (a) of the BID law requires the board and the city to annually review and take changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms, the complete development program, it focuses upon year nineteen activities, and information on

specific assessed values, budget amounts and assessment amounts are based on year nineteen conditions. Greater detail about subsequent year's activities will be provided in the required annual plan updates, and approval by the Common Council of such plan updates shall be conclusive evidence of compliance with this plan and the BID law.

In later years, the BID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and Expansion

This BID has been created under authority of Section 66.1109 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional, its decision will not invalidate or terminate the BID, and this BID plan shall be amended to conform to the law without need of re-establishment.

Should the legislature amend the Statute to narrow or broaden the process of a BID as to exclude or include as assessable properties a certain class or classes of properties, then this BID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.1109 (3) (b).

APPENDICES

APPENDIX A

STATUTE

66.1109 Business improvement districts.

(1) In this section:

(a) "Board" means a business improvement district board appointed under sub. [\(3\)\(a\)](#).

(b) "Business improvement district" means an area within a municipality consisting of contiguous parcels and may include railroad rights-of-way, rivers, or highways continuously bounded by the parcels on at least one side, and shall include parcels that are contiguous to the district but that were not included in the original or amended boundaries of the district because the parcels were tax-exempt when the boundaries were determined and such parcels became taxable after the original or amended boundaries of the district were determined.

(c) "Chief executive officer" means a mayor, city manager, village president or town chairperson.

(d) "Local legislative body" means a common council, village board of trustees or town board of supervisors.

(e) "Municipality" means a city, village or town.

(f) "Operating plan" means a plan adopted or amended under this section for the development, redevelopment, maintenance, operation and promotion of a business improvement district, including all of the following:

1. The special assessment method applicable to the business improvement district.

1m. Whether real property used exclusively for manufacturing purposes will be specially assessed.

2. The kind, number and location of all proposed expenditures within the business improvement district.

3. A description of the methods of financing all estimated expenditures and the time when related costs will be incurred.

4. A description of how the creation of the business improvement district promotes the orderly development of the municipality, including its relationship to any municipal master plan.

5. A legal opinion that subs. [1.](#) to [4.](#) have been complied with.

(g) "Planning commission" means a plan commission under s. [62.23](#), or if none a board of public land commissioners, or if none a planning committee of the local legislative body.

(2) A municipality may create a business improvement district and adopt its operating plan if all of the following are met:

(a) An owner of real property used for commercial purposes and located in the proposed business improvement district designated under par. [\(b\)](#) has petitioned the municipality for creation of a business improvement district.

(b) The planning commission has designated a proposed business improvement district and adopted its proposed initial operating plan.

(c) At least 30 days before creation of the business improvement district and adoption of its initial operating plan by the municipality, the planning commission has held a public hearing on its proposed business improvement district and initial operating plan. Notice of the hearing shall be published as a class 2 notice under ch. [985](#). Before publication, a copy of the notice together with a copy of the proposed initial operating plan and a copy of a detail map showing the boundaries of the proposed business improvement district shall be sent by certified mail to all owners of real property within the proposed business improvement district. The notice shall state the boundaries of the proposed business improvement district and shall indicate that copies of the proposed initial operating plan are available from the planning commission on request.

(d) Within 30 days after the hearing under par. [\(c\)](#), the owners of property to be assessed under the proposed initial operating plan having a valuation equal to more than 40 percent of the valuation of all property to be assessed under the proposed initial operating plan, using the method of valuation specified in the proposed initial operating plan, or the owners of property to be assessed under the proposed initial operating plan having an

assessed valuation equal to more than 40 percent of the assessed valuation of all property to be assessed under the proposed initial operating plan, have not filed a petition with the planning commission protesting the proposed business improvement district or its proposed initial operating plan.

- (e) The local legislative body has voted to adopt the proposed initial operating plan for the municipality.
- (2m)** A municipality may annex territory to an existing business improvement district if all of the following are met:
- (a) An owner of real property used for commercial purposes and located in the territory proposed to be annexed has petitioned the municipality for annexation.
 - (b) The planning commission has approved the annexation.
 - (c) At least 30 days before annexation of the territory, the planning commission has held a public hearing on the proposed annexation. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice together with a copy of a detail map showing the boundaries of the territory proposed to be annexed to the business improvement district shall be sent by certified mail to all owners of real property within the territory proposed to be annexed. The notice shall state the boundaries of the territory proposed to be annexed.
 - (d) Within 30 days after the hearing under par. (c), the owners of property in the territory to be annexed that would be assessed under the operating plan having a valuation equal to more than 40 percent of the valuation of all property in the territory to be annexed that would be assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of property in the territory to be annexed that would be assessed under the operating plan having an assessed valuation equal to more than 40 percent of the assessed valuation of all property in the territory to be annexed that would be assessed under the operating plan, have not filed a petition with the planning commission protesting the annexation.
- (3)**
- (a) The chief executive officer shall appoint members to a business improvement district board to implement the operating plan. Board members shall be confirmed by the local legislative body and shall serve staggered terms designated by the local legislative body. The board shall have at least 5 members. A majority of board members shall own or occupy real property in the business improvement district.
 - (b) The board shall annually consider and may make changes to the operating plan, which may include termination of the plan, for its business improvement district. The board shall then submit the operating plan to the local legislative body for its approval. If the local legislative body disapproves the operating plan, the board shall consider and may make changes to the operating plan and may continue to resubmit the operating plan until local legislative body approval is obtained. Any change to the special assessment method applicable to the business improvement district shall be approved by the local legislative body.
 - (c) The board shall prepare and make available to the public annual reports describing the current status of the business improvement district, including expenditures and revenues. The report shall include one of the following:
 - 1. If the cash balance in the segregated account described under sub. (4) equaled or exceeded \$300,000 at any time during the period covered by the report, the municipality shall obtain an independent certified audit of the implementation of the operating plan.
 - 2. If the cash balance in the segregated account described under sub. (4) was less than \$300,000 at all times during the period covered by the report, the municipality shall obtain a reviewed financial statement for the most recently completed fiscal year. The statement shall be prepared in accordance with generally accepted accounting principles and include a review of the financial statement by an independent certified public accountant.
 - (cg) For calendar years beginning after December 31, 2018, the dollar amount at which a municipality is required to obtain an independent certified audit under par. (c) 1. and the dollar amount at which a municipality is required to obtain a reviewed financial statement under par. (c) 2. shall be increased each year by a percentage equal to the percentage change between the U.S. consumer price index for all urban consumers, U.S. city average, for the month of August of the previous year and the U.S. consumer price index for all urban consumers, U.S. city average, for the month of August 2017, as determined by the federal department of labor. Each amount that is revised under this paragraph shall be rounded to the nearest multiple of \$10 if the revised amount is not a multiple of \$10 or, if the revised amount is a multiple of \$5, such an amount shall be increased to the next higher multiple of \$10.

- (cr) The municipality shall obtain an additional independent certified audit of the implementation of the operating plan upon termination of the business improvement district.
- (d) Either the board or the municipality, as specified in the operating plan as adopted, or amended and approved under this section, has all powers necessary or convenient to implement the operating plan, including the power to contract.
- (4) All special assessments received from a business improvement district and all other appropriations by the municipality or other moneys received for the benefit of the business improvement district shall be placed in a segregated account in the municipal treasury. No disbursements from the account may be made except to reimburse the municipality for appropriations other than special assessments, to pay the costs of audits and reviewed financial statements required under sub. (3) (c), or on order of the board for the purpose of implementing the operating plan. On termination of the business improvement district by the municipality, all moneys collected by special assessment remaining in the account shall be disbursed to the owners of specially assessed property in the business improvement district, in the same proportion as the last collected special assessment.
- (4g) A municipality may convert a business improvement district under this section into a neighborhood improvement district under s. [66.1110](#) if an owner of real property that is subject to general real estate taxes, that is used exclusively for residential purposes, and that is located in the business improvement district petitions the municipality for the conversion. If the municipality approves the petition, the board shall consider and may make changes to the operating plan under s. [66.1110 \(4\) \(b\)](#).
- (4m) A municipality shall terminate a business improvement district if the owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the business improvement district, subject to all of the following conditions:
- (a) A petition may not be filed under this subsection earlier than one year after the date the municipality first adopts the operating plan for the business improvement district.
- (b) On and after the date a petition is filed under this subsection, neither the board nor the municipality may enter into any new obligations by contract or otherwise to implement the operating plan until the expiration of 30 days after the date of hearing under par. (c) and unless the business improvement district is not terminated under par. (e).
- (c) Within 30 days after the filing of a petition under this subsection, the planning commission shall hold a public hearing on the proposed termination. Notice of the hearing shall be published as a class 2 notice under ch. [985](#). Before publication, a copy of the notice together with a copy of the operating plan and a copy of a detail map showing the boundaries of the business improvement district shall be sent by certified mail to all owners of real property within the business improvement district. The notice shall state the boundaries of the business improvement district and shall indicate that copies of the operating plan are available from the planning commission on request.
- (d) Within 30 days after the date of hearing under par. (c), every owner of property assessed under the operating plan may send written notice to the planning commission indicating, if the owner signed a petition under this subsection, that the owner retracts the owner's request to terminate the business improvement district, or, if the owner did not sign the petition, that the owner requests termination of the business improvement district.
- (e) If after the expiration of 30 days after the date of hearing under par. (c), by petition under this subsection or subsequent notification under par. (d), and after subtracting any retractions under par. (d), the owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, have requested the termination of the business improvement district, the municipality shall terminate the business improvement district on the date that the obligation with the latest completion date entered into to implement the operating plan expires.
- (5)

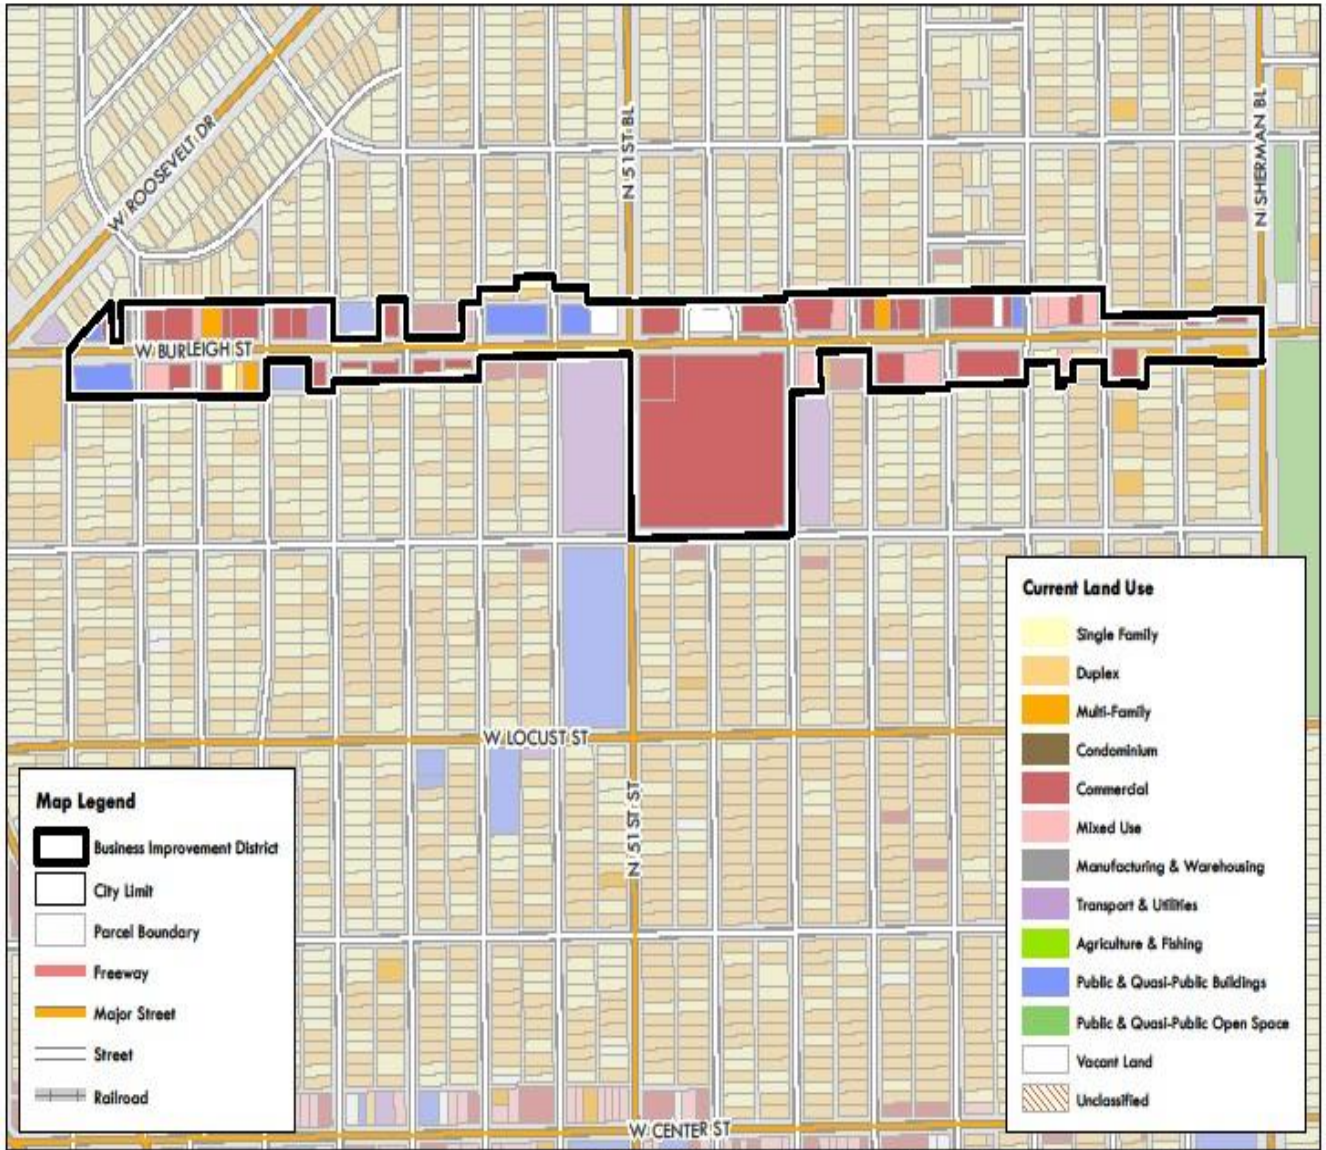

- (a) Real property used exclusively for residential purposes and real property that is exempted from general property taxes under s. [70.11](#) may not be specially assessed for purposes of this section.
- (b) A municipality may terminate a business improvement district at any time.
- (c) This section does not limit the power of a municipality under other law to regulate the use of or specially assess real property.
- (d) If real property that is specially assessed as authorized under this section is of mixed use such that part of the real property is exempted from general property taxes under s. [70.11](#) or is residential, or both, and part of the real property is taxable, the municipality may specially assess as authorized under this section only the percentage of the real property that is not tax-exempt or residential. This paragraph applies only to a 1st class city.

Business Improvement District #27

ANNUAL REPORT

September 2021-September 2022

The Business Improvement District #27 (BID #27) includes the businesses on Burleigh Street between Sherman Boulevard on the east and 60th Street on the west.

Our mission is to make the businesses within our corridor appealing places to shop and own. We believe this is possible by creating a positive appearance and promoting a safe environment.

BID #27 completed the following projects:

Fifteen new BID banners were ordered and installed with custom hardware on the Burleigh Street Corridor.

Broken windows were replaced at two locations in order to restore the safety of the businesses and maintain the appearance of the buildings.

In December, Holiday decorations were placed in the 17 decorative planters on Burleigh Street. A Holiday Lights contest took place in December, and the top 3 contestants were awarded prizes.

This past summer the BID arranged to have flowers planted in the planters, replacing planters that were damaged.

2 new park benches were installed to replace broken ones, and six new decorative trash receptacles were placed in strategic areas.

Personal Protection Equipment (Covid protocols) and hand sanitizer were provided to a dozen businesses on Burleigh Street. This is an ongoing program. We continue to provide wall-mounted hand sanitizer dispensers and replenish masks and sanitizer refills upon request.

The contract for Street cleaning was renewed with Riverworks. The street is swept and litter picked up from the sidewalks and terraces on a regular schedule.

We purchased and installed decorative iron security doors for 2 new businesses on W. Burleigh Street.

The BID continues to offer grants for signage to provide better visibility for the businesses and enhance the appearance of the street.

We look forward to the restoration of the building at 5725 W. Burleigh and the opening of 2 or more new businesses there. We are developing a plan for a facility to train young people to work in the building trades, and initiate a mural program to provide inspiration to all who work and travel on W. Burleigh Street.
