Re: C.I. File No. 1029-2014-1532
Communication from DISCIPLE AB HALL

Dear Mr. Hall:

The City of Milwaukee is in receipt of the claim for damages you incurred as a result of a defect in a sidewalk or street in or near the areas of North 20th Street and West Capitol Drive, and North 17th Street and West Wisconsin Avenue.

Based on 2011 Wisconsin Act 132, Wisconsin municipalities are immune from liability for any damage that occurs on or after April 5, 2012 due to a defect in a sidewalk or street. Although the city is immune from liability for damages, the city takes any report of defective streets or sidewalks seriously. Therefore, your claim has been forwarded to the Department of Public Works so city staff may inspect the area in question and repair any defect as promptly as possible.

To Whom It May Concern:

My name is Disciple:Ab Hall. I Have A 1996 T100 Toyota. Early throughout the year, I have hit several potholes. My truck started making noise as I drove over these potholes. Headed south bound on 20th, crossing capitol drive. I looked underneath the truck, didn't see anything. As I got to my destination, the rattling stopped. Headed back east on 17th street, crossing Wisconsin, hit several more potholes and the rattling started again, as I got home, looked underneath the truck again, checked the muffler, checked the shocks and last but not least checked the springs on the passenger side and noticed it was busted. I finally got around to getting the estimate to mail in to the city of Milwaukee. So, if you need anything else from me, you can send a letter to me at P O Box 12665, Milwaukee, WI 53212 or call me at 414-254-9354. Thank you.

Sincerely,

Disciple Ab Hall
