RE: Demand for damages resultant from auto accident between City of Milwaukee Plumbing Inspector, car #20117, and Joseph R. Hodorowski, June 25, 2003.

To Whom it May Concern:

On June 25, 2003 at about 9:45 a.m., I was driving eastbound on Wells Street when the above-referenced City of Milwaukee Plumbing Inspector made a lane change into the left-front fender of my car.

There are four (4) lanes for eastbound traffic and two (2) parking lanes on Wells street. I, after checking for traffic, moved my car from the metered parking spot into the far-right eastbound lane. Just after I pulled out of the parking spot and was traveling east, the City of Milwaukee Plumbing Inspector Vehicle moved into my lane, striking my car. Apparently, the plumbing inspector pulled out from an alley on the opposite side of the street and moved across four (4) lanes of traffic in an attempt to turn right at the intersection.

This accident was not my fault. I was in complete and total control of my vehicle at the time of the collision. The attending police officer issued no tickets; however, the City of Milwaukee Plumbing Inspector was obviously not driving attentively, nor was he driving prudently. Had the plumbing inspector been driving attentively, he would not have made a lane-change into my vehicle.

Enclosed are two (2) estimates of how much it will cost to repair the damage to my vehicle. There is one estimate for \$2652.88 and one estimate totaling \$2620.93. If it is of any concern to you, I would much prefer to have my car repaired at Prestige for the lesser amount.

Please send a check to me, in the amount of \$2620.93, within ten (10) days or I may pursue my legal remedies. I will accept this as full and final settlement of any and all claims resultant from this accident.

Sincerely,

Joseph R. Hodorowski
