

I own the property at 1606 N. Jackson and was sent a letter in reference to the rezoning of the property on the corner of Jackson and Pleasant ST. I am opposed to this decision due to the fact that there are numerous properties of this type already in this quiet old east side neighborhood and would only diminish the value of the property we have all paid substantial taxes on over the years.

Sincerely

Jim Powell

Property owner of 1606 N. Jackson
