To: HACM Board of Commissioners
From: Marlon E. Davis, Chief of Public Safety
Date: January 29, 2026
Subject: Narcan Distribution Efforts and Continuation Plan

This memorandum provides the Board with an update regarding opioid education, Narcan demonstrations, and resident distribution efforts occurring within HACM developments, as well as the coordinated plan to continue these efforts.

Following the January 21, 2026 meeting, I conducted inquiries to determine what initiatives were already underway at HACM. Through this review, I learned that HACM Resident Services initiated opioid education, Narcan demonstrations, and distribution efforts beginning in mid-2025. These efforts have been led by Lakeidra Madison, HACM Resident Coordinator, in coordination with Milwaukee County, and have been conducted through Resident Organization meetings and on-site engagements.

To date, demonstrations and distribution activities have occurred at **Arlington Court, Holton Terrace, Hillside Terrace, Cherry Court, Becher Court, and Merrill Park**, with additional outreach scheduled to continue these efforts throughout HACM developments.

To ensure continuity and support of the efforts already underway, HACM Public Safety Senior Supervisor (Lieutenant) Powers has been assigned to work in coordination with HACM Resident Services to continue and support these initiatives moving forward.

This memorandum is provided to ensure the Board is informed of both the progress made to date and the structured approach in place to sustain these efforts.

Respectfully submitted,

Marlon E. Davis
