## **Special Thanks to Mark Nicolini**

Mark Nicolini served as Director of the Budget and Management Division in the Department of Administration since 2004. He retired prior to completion of the 2018 budget and deserves our gratitude for his major role in preparing this year's budget. His commitment to strengthening critical city services, managing long term obligations and maintaining fiscally responsible budgets earned him the respect and gratitude of his colleagues. Among his accomplishments was the implementation of a strategy of resizing, restructuring and reinvesting and developing a stable pension contribution policy. These accomplishments moved the City toward a more stable budget.

We wish him a happy and healthy retirement.

Mayor, City of Milwaukee

**Mayor Barrett's 2018 Executive Budget Address**  
September 26, 2017

The City of Milwaukee is strong. You know it and I know it. In every one of your districts and all around the city, good things are happening. Families are building a future, and yes, the people in our neighborhoods have faith in the City of Milwaukee.

Milwaukee's strength is a result of our tradition of responsible and thoughtful city budgeting. You, as members of the Common Council, share the credit for funding our obligations, addressing changing needs, and maintaining a long tradition of government responsibility and frugality.

For 13 years we have cut, squeezed and reconfigured operations to maintain our shared priorities. We will continue to do that. However, this year, we are faced with difficult options, particularly when it comes to public safety.

Our men and women in uniform have earned our respect. They have earned our admiration. That makes these decisions so much more difficult.

In my time as Mayor, no city budget has presented more challenges or more frustration than this one. As challenging as this budget is, what I present to you today does not include any layoffs among the position reductions.

Yes, we have managed our fiscal matters extremely well.

The budget I am presenting today is not the budget I was hoping to introduce. The budget I was hoping to introduce would increase police funding. The budget I was hoping to introduce would maintain fire service. The budget I was hoping to introduce would invest in community prosecutors.

But there's a big difference between hope and reality.

The reality is that we have to tackle increased employer pension obligations, increased costs to continue service delivery and constrained revenue options.

Under our current structure, our city, unlike every other major American city our size, is severely limited in our revenue options. The Public Policy Forum, the widely respected independent research organization, has said “the city’s ability to address the needs of the Milwaukee Police Department and its aging infrastructure without negatively impacting service levels in other departments is growing short.”

In its report released earlier this summer, the Forum provided an excellent analysis of the constraints we operate under as we try and address the challenges. We are an outlier when it comes to revenue sources. As you know, state law limits us to two primary sources of revenue; State Shared Revenue and property taxes.

Ironically, at a time when our tax base is growing and we are adding to the state coffers, Shared Revenue, an essential part of our budget, is no longer funded fairly.

It is clear to anyone who is watching that local government financing is not a priority in Madison and the decreased, frozen Shared Revenue formula is costing us tens of millions of dollars.

Based on what you read and see, you might think it is because the state does not have the revenue to share. That is not true, the state has experienced a 59% increase in general purpose revenue in the last 14 years.

In fact the tables have turned to such an extent, that the amount of state revenue generated in Milwaukee now far exceeds the amount of state aid provided to us. Our economic strength is generating a Milwaukee dividend to the state.

In other words, the beneficiary of our economic growth is the state’s coffers. That is because all Milwaukee businesses deliver sales and income tax to the State Treasury.

I have gone to Madison. I have strenuously argued Milwaukee’s case. I have made the argument that the state and the city can both thrive when Milwaukee is treated fairly.

Compounding our situation are fiscal challenges that need our immediate attention.

Amazingly, my 2018 budget for the Milwaukee Police Department surpasses the entire municipal tax levy for the third year in a row. The 2018 police budget totals \$293.4 million and the tax levy is \$273.5 million.

In addition, my 2018 budget includes an employer pension payment of \$83 million. That is \$22 million more than we have been paying in recent years.

Why do we have to pay more? Over 90% of the additional expenditure is attributable to payments made on behalf of sworn public safety employees. They earn pension benefits faster and they retire earlier. That means that roughly \$20 million more is going to police and fire but is coming in the form of pension payments and not direct services. That is a huge problem.

I take the responsibility of maintaining the strength of our pension system very seriously. Just look at what has happened to so many pension systems around the country that have underfunded their obligations. No responsible person wants Milwaukee to be in that situation. Our pension system is close to fully funded, and maintaining that requires continued significant pension contributions.

Inevitably, critics will say “make cuts in other places”. I want you to know, during my time as Mayor, we have reduced the number of workers in the general city workforce by nearly 300 positions. We have saved tens of millions of dollars in health care costs and dramatically reduced worker injuries and responsibly managed our borrowing costs.

In this year’s budget, we have reduced our capital borrowing by \$12.7 million to better stabilize future debt payments.

Up until this point, every department has been asked to make sacrifices. And, this year we are asking even more.

We must have a more diversified revenue pool, and that is why I have asked the Governor and the Legislature to let the people of Milwaukee decide if they, the residents, want a half cent sales tax for public safety and crime prevention.

Let me be clear I am not asking the state for more money. I am not asking the state to raise the sales tax. I am asking to let the people of Milwaukee decide if they want that investment in public safety.

I stand by our commitment to reduce crime and violence. My budgets, on a per capita basis, have always far surpassed other cities in the state on public safety expenditure and they will continue to do so.

Without a public safety sales tax, 33 of the 1,888 police officer positions will not be filled. With a public safety sales tax, we will fund 1,900 police officers and maintain that strength.

Without a local sales tax, three Fire Department apparatus will be eliminated and two will be browned out. Should a sales tax be approved in time, two of these apparatus would be put back into full service.

Faced with these alternatives, I am confident Milwaukeeans would choose to support a public safety sales tax.

My 2018 proposed budget includes a general fund budget increase of \$8.3 million. Property taxes will increase \$9.7 million or 3.7%.

What does that mean to the average property tax bill? We project an increase of just over \$37.00. Combined with municipal fees, the total costs to the average residential property owner will go up approximately \$48.00 or 3.1%. Tempering that impact, we anticipate Milwaukee Public Schools will be lowering its tax rate.

My budget includes a major investment in the Health Department’s Office of Violence Prevention. Violence prevention cannot sit solely with the police and courts. We must balance our approach. That is why over the past year, I have added to the staffing of the Office of Violence Prevention.

In my budget, I am allocating \$280,000 to the department to build a concerted neighborhood based violence interruption program called *Ceasefire*.

*Ceasefire Milwaukee* will train community violence interrupters and outreach workers to prevent shootings driven by arguments and retaliatory violence two of the leading causes of homicides and non-fatal shootings in the city. This approach involves targeted efforts to identify and mediate potentially lethal conflicts in priority neighborhoods throughout the city. The *Ceasefire* model focuses on individuals

at highest risk of shooting or being shot through intensive case management and life changing interventions.

Bringing the right people to the table has helped the Milwaukee Public Library evolve from buildings with books into outstanding education and information institutions in our neighborhoods. Early next month, we will celebrate the opening of the new Mitchell Street Library, an innovative mixed-use development that features a maker space where our residents can improve their skills and talents.

The next libraries up for replacement are Capitol and Martin Luther King. My budget includes \$4 million to continue the progress we have made replacing and upgrading these neighborhood assets.

I am also very pleased library hours are maintained at 2017 levels.

When I served in Congress, I began my efforts to deliver funding to address lead hazards that threaten children and families. As Mayor, I have brought and invested more than \$50 million to Milwaukee to combat lead hazards. The results are remarkable, recording a nearly 70% decline in children with elevated blood lead levels. Let me be clear we have much more work to do. Too many children in our community face lead hazards where they live and play.

That is why I am continuing my investment into the Health Department's Childhood Lead Poisoning Prevention Program. In 2018, I have added \$487,000 to the department's \$2.5 million in grant funding to continue its front line work. That is nearly \$3 million to support the work to prevent lead exposure before it occurs and respond comprehensively to cases where a child has been exposed.

We all agree that reducing lead is a high priority for Milwaukee's public health. The Milwaukee Water Works has aggressively implemented a new program to replace full lead service lines in 2017. The department is on track to replace over 600 lead service lines in 2017. We have completed 383 as of today and the rest are under contract. In 2018, we will scale the program to replace 800 lead services lines, with plans to continue increasing our target in future years. I am proposing a total Water Works funding package of about \$8.8 million for these programs in 2018.

Nearly a decade after the national housing crisis devastated some Milwaukee neighborhoods, we continue to wrestle with the aftermath. My Strong Neighborhoods Plan is focused on housing strength and stability. We are returning foreclosed properties to productive use, adding to the city's tax base and assisting neighbors in building stronger blocks.

We are investing in streets, water mains and making sure we are not leaving important infrastructure work to future budgets.

There are pressing needs, significant demands, evolving challenges, and limited resources. The only option before us is to budget responsibly.

We must resist the temptation for short term fixes that will lead to long term problems. Increasing reserve use or borrowing or pushing expenses into 2019 will only lead to much larger budget challenges that could become impossible to fix.

I will continue to ask the Governor and the state legislature to permit us to diversify our revenue sources. I am not giving up that fight. The limitations placed on the City of Milwaukee are demonstrably unfair. I am insisting that Milwaukee is equipped with what it needs to meet the needs of a first class city.

And we are a first class; city first class when it comes to commerce, quality of life, creativity, and natural assets. Our residents are first class people, hardworking, dedicated, generous, and solid citizens.

We have a budget that prioritizes and allocates the funds we have available. It is a balanced plan that requires strategic use of available reserves and the appropriate use of borrowing. As you review the recommendations before you, I ask that you keep in mind Milwaukee's strengths. We owe it to our residents to defend and build on the assets that make Milwaukee a strong city. That is important for 2018 and for the long term future of our city.

## **FINANCE AND PERSONNEL COMMITTEE REPORT ON THE 2018 ADOPTED CITY BUDGET**

Recognizing the fiscal challenges facing the City, particularly the need to meet pension obligations to our current and retired employees and the continually increasing proportion of the City's budget devoted to police and fire services, the Common Council amended the 2018 Budget to intensify the City's efforts directed toward improving residents' quality of life.

Utilizing additional funding from the State of Wisconsin and the Forest County Potawatomi Community announced after the Mayor presented his Proposed Budget in late September, the Common Council's Adopted Budget includes amendments to:

- Initiate a \$200,000 Healthy Food Establishment Fund to promote fresh food purchase opportunities in neighborhoods lacking such locations.
- Add funding for 3 additional early voting sites for 16 days before the November 6, 2018, general election to increase voter participation through greater convenience.
- Add 2 risk management positions to the Fire and Police Commission's professional staff to focus on the Police Department's implementation of policies and procedures, identify current MPD practices that result in mounting litigation and settlement costs, and recommend potential policy and training procedure changes to the Commission.
- Add \$100,000 to the Fire and Police Commission's budget for the implementation of the United States Department of Justice Collaborative Reform Initiative draft report's recommendations.
- Add \$70,000 to the Health Department to create a \$50,000 opiate, heroin, and cocaine addiction education campaign and \$20,000 lead water service lateral information campaign to increase awareness of these issues among Milwaukee residents.
- Create an Office of Early Childhood Education in the Milwaukee Public Library to advance early childhood literacy and lay the foundation for greater reading skills as children enter school.
- Restore 4 Residential Code Enforcement Inspectors in the Department of Neighborhood Services to maintain vacant building inspections and monitor

quality-of-life concerns, such as infrastructure conditions, street lighting problems, uncollected garbage or litter, unshovelled snow, and similar issues.

- Restore a Building Construction Inspector position and a Program Assistant position to oversee condemnation activities.
- Add 5 civilian Community Service Officers to augment the current 17 CSOs who respond to non-violent, non-confrontational calls for service (such as non-injury motor vehicle crashes) and to participate in community relations meetings and events. This will make sworn officers available to respond to more critical calls for service and provide greater patrol presence in neighborhoods.
- Restore \$150,000, or 30%, of the \$500,000 cut to DPW's operating budget to repair streetlight pole and circuit outages as they occur throughout the city.
- Provide \$50,000 to the Milwaukee Public Schools for expansion of its driver's education programming and \$10,000 for a Youth Council initiative to encourage responsible driving throughout the city.
- Provide \$50,000 for a Technology Growth Initiative to accelerate the expansion of Milwaukee's technology sector through collaboration with other municipalities, educational institutions, and the private sector in Milwaukee and the region.

The Council also amended the Proposed Budget to:

- Provide an additional \$500,000 (with \$500,000 appropriated in the 2017 Budget) to conduct a comprehensive disparity study regarding the City's use of minority- and women-owned business enterprises as contractors and subcontractors.
- Create a \$165,000 neighborhood investment beautification program to provide matching funds for residents and businesses seeking to improve the facades and landscaping of business and properties in neighborhoods and street corridors in areas of most need.
- Absorb the remaining 12 Redevelopment Authority of the City of Milwaukee employee positions into the Department of City Development as an efficiency measure.
- Provide an additional \$50,000 for the Health Department's efforts to treat and intervene to prevent sexually transmitted infections utilizing funds made available through lower DPW fuel prices.
- Create an eviction database in the Health Department to help determine how widespread evictions are throughout Milwaukee, whether landlords unscrupulously use evictions as a business practice, whether evictions are used in retaliation for tenants reporting building code violations, and help policymakers develop strategies to protect tenants.
- Provide \$30,000 for a Youth Snow Shoveling Initiative to assist needy elderly and disabled residents.
- Restore \$150,000 to the Housing Infrastructure Preservation Fund to continue to restore the exterior condition of City-owned historic residential properties.

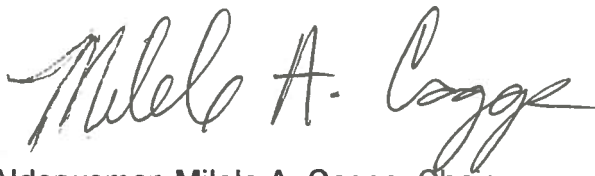

- Provide an additional \$350,000 for the Strong Homes Loan Fund, which allows residents of modest income and limited home equity to make essential repairs to their residences.
- Fund an additional 6 police officer recruits in the late-2018 recruit training class by eliminating funding for a vacant Assistant Chief of Police and a Media Producer in the Police Department.
- Begin a city-wide clean-up program in honor of the late DNS Inspector Greg “Ziggy” Zyszkiewicz, who was murdered while working in the field in March 2017. City employees will volunteer their time alongside City residents to clean up and beautify city neighborhoods.

The 2018 Adopted Budget is \$430,000 lower than the 2017 Budget. The property tax levy will increase \$9.7 million (or 3.7%). Due to a significant increase in assessed value as of January 1, 2017, the property tax rate remains the same at \$10.75 per \$1,000 of assessed value. The tax on a median-valued \$108,400 home will increase \$36.00. Municipal fees for solid waste collection, snow and ice control, storm water, and sewer maintenance will increase by an average of \$11.51, resulting in a combined cost increase of \$47.51 for a median-valued home.

The 2018 Adopted Budget is fiscally sound, preserves the public safety and services, and intensely focuses on improving educational and employment opportunities for City residents.

Peace, Love, & Justice,

Alderwoman Milele A. Coggs, Chair  
Finance and Personnel Committee

C. CAPITAL IMPROVEMENTS FUNDS									
1. BUDGETS FOR CAPITAL IMPROVEMENTS									
<p>These accounts may be credited with amounts received or receivable from assessments levied, contributions, grants, and loans in aid from other Governmental Units. Sales of remnant parcels of property or other receipts which are considered an abatement of project costs and amounts so received or receivable shall be deemed to be appropriated for the particular purpose of the project account to which said amounts are credited and are available for disbursement for said purposes, providing such receipts and disbursements have the approval of the Finance and Personnel Committee of the Common Council.</p> <p>Various Common Council Resolutions such as C.C. Resolution 88-1665 adopted December 20, 1988 commonly referred to as the Capital Guidelines; CC Resolution 66-1893-E, (Grant and Aids Guidelines) adopted February 5, 1982, CC Resolution 72-982 (Land Acquisition Policy) adopted February 23, 1973 and CC Resolution 73-1365 (Industrial Land Bank Revolving Fund) adopted January 15, 1974 set forth the various procedures and controls applicable to the Capital Program of the City of Milwaukee. In adopting this budget it is the intent of the Common Council that such requirements and subsequent revisions thereto will be followed.</p> <p>In the case of Expressway and Urban Aid Reimbursable Capital Improvement Accounts, because of timing uncertainties and their reimbursable nature, it is the intent of the Common Council to provide expenditure authority on an as-needed revenue offset basis by appropriate resolution, rather than to include amounts for such projects in the Budget.</p>									
SPECIAL CAPITAL PROJECTS OR PURPOSES									
<p>Capital Grant and Aids Program expenditures shall be made only after adoption of a Common Council resolution adopted in accordance with Common Council Resolution File Number 66-1893 as amended February 25, 1982.</p>

### **III. CLARIFICATION OF INTENT**

#### **Employee Fringe Benefits**

Employee fringe benefit costs are allocated to operating and capital budgets on an estimated basis for informational purposes only. Such estimated expenditures are 100% appropriation offset for operating budgets and 100% revenue offset for the capital budget to avoid any impact on the city's tax levy. Actual fringe benefit costs, such as health care benefits, life insurance, and pensions, are budgeted separately in non-departmental accounts, which are funded from the property tax levy.

The amount included in each departmental (or budgetary control unit) operating budget on the line entitled "Estimated Employee Fringe Benefits" is subject to adjustment by unilateral action of the City Comptroller, during the budget year, if the actual rate charged against salaries paid is at variance with the estimated rate used in calculating the budgeted amount.

#### **Departmental Salary Appropriations**

Department net salary and wage appropriations reflect current wage rates and expenditures and are limited to these amounts. Funding of future salary increases is provided in the Wages Supplement Fund.

#### **Footnotes**

Section 18-06-12 of the Milwaukee City Charter states that the adoption of the budget shall be the authority for the expenditure by a department for the purposes therein provided and of the amounts assigned to the department thereby and no further action by the Common Council shall be necessary to authorize any department to make such expenditures. The City Attorney has advised that footnotes contained in the line item budget are informational only and not controlling over expenditures unless a corresponding resolution specifying the footnote's intent is also adopted by the Common Council.
