Re: Communication from WE ENERGIES (2014260321)
C.I. File No. 1048-2014-365

Dear Council Members:

We return the enclosed document which has been filed with the City Clerk and ask that it be introduced and referred to the Committee on Judiciary and Legislation with the following recommendation.

Claimant WE Energies alleges damage occurred to a gas facility on or about January 10, 2014 near 4512 North 69th Street. We Energies claims damages in the amount of \$7,565.33.

Milwaukee Water Works confirms they were called to repair a water main break at 4512 North 69th Street. During the process, the distribution crew inadvertently damaged the gas facility. The subject service was marked within acceptable limits.

The City appears to be responsible for the damage done to the gas facility, and we recommend this claim be approved for payment.

Very truly yours,

GRANT F. LANGLEY
City Attorney
