RE: Request to Re-exempt Community Service Officer Position

Dear Commissioners:

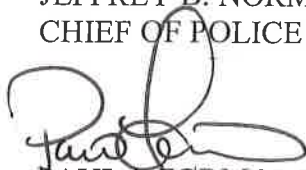

Pursuant to Fire and Police Commission Rule XI, Section 12, I am requesting that the Board re-exempt the Community Service Officer position. The Community Service Officer is a civilian position responsible for providing support of basic police operations and functions by performing a variety of specialized duties not requiring the attention of a sworn Police Officer. This position responds to non-emergency police calls as deemed appropriate by the Chief of Police, assists Community Liaison Officers with nuisance properties investigations, testifies in Court, provides depositions, attend traffic infraction hearings, criminal hearings, and civil trials as required.

The Department is requesting to re-exempt the Community Service Officer position to create greater flexibility in selecting the best qualified candidate, as well as the candidate that fits best with cultural, demands, challenges, and structure of the Police Department. This position requires confidentiality, sensitivity and commitment to working cooperatively with other departments, government officials, and members of the community.

Attached is a current job description for reference. Having the right candidate is both critical and essential to the department, and the candidate to be successful in the Community Service Officer position. If you have any questions regarding this matter, please contact Human Resources Representative Mai Xiong at 414-935-7591.

Sincerely,

JEFFREY B. NORMAN
CHIEF OF POLICE

PAUL J. FORMOLO
