This file (Legislative File 250542) is legal and enforceable.

This creates an exception/exemption from the existing prohibition on *other* businesses at Class C establishments.

The State DOR recommends this course of legislative action for 'paint and sip' or in this case 'make candles and sip' type establishments.

Respectfully,

Travis Gresham

Good Morning,

The attached file is submitted for review as to legality and enforceability.

Questions, &c., of me, please just let me know.

Thanks,

Jim
